Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Feb. 3). You can make a few bucks this year with beautiful things. Follow through on an idea you've had for a long time. It could be an investment, or fixing things, or your own creativity, but it's probably not part of your regular job. Stretch. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is a 7 _ If you're wise, contemplation will replace action. You could move quickly, but maybe you shouldn't. Think about it.

TAURUS (April 20-May 20) _ Today is a 6 _ Don't be ruled by reason alone. Follow your intuition, too, and don't gamble now. There are too many variables. Play it safe.

GEMINI (May 21-June 21) _ Today is a 6 _ Be quick without being hasty, wise without being rude. Compassion is the key. If you make your presentation more gentle, you'll be more effective.

CANCER (June 22-July 22) _ Today is a 6 _ Be optimistic, but don't rely too heavily on skills that you haven't fully mastered. There are a few problems you've not yet encountered. Watch out.

LED (July 23-Aug. 22) _ Today is a 6 _ This is not a good time for financial risks. Play it safe, even if it means telling a friend or loved one "no." Same goes for buying yourself new toys.

VIRGO (Aug. 23-Sept. 22) _ Today is a 6 _ Big changes are now under way, so tempers might get short. Be the moderator and the voice of reason. They need your common sense.

LIBRA (Sept. 23-Oct. 22) _ Today is a 7 _ Focus on something that needs to be done, and ignore attractive distractions. Anticipate complications.

SCORPIO (Oct. 23-Nov. 21) _ Today is a 6 _ Don't throw your money around, especially if it's to impress a person you like. That person likes you, too, but for your spiritual wealth, not your financial wealth.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 6 _ You may feel rather bogged down, annoyed that you can't move more quickly. Actually, changes may need to be made. No need to rush.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 6 _ The more you learn, the more you discover you don't know. Don't let that keep you from studying. What you're acquiring is worth the annoyance.

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 7 _ Reality rears its ugly head as you start to figure out the costs. Don't look at it like there's only so much. Leave room for a few miracles.

PISCES (Feb. 19-March 20) _ Today is a 6 _ You could now take a fantasy and build a strong framework around it. This could be very interesting and even fun, although time-consuming.
