

The third balcony shows **EMPTY** student seating during the Stanford game.

USE 'EM OR LOSE 'EM!

<u>Game</u>	<u>Seats Unused (%)</u>
University of Washington	809 (34%)
Washington State	743 (31%)
Stanford	626 (26%)
California	568 (24%)

The ASUO Athletic Department Finance Committee (ADFC) is currently in negotiations with the UO Athletic Department for next year's student seating. If the attendance rate doesn't go up in the next two games, we may be forced to cut some student seating.

"Oregon and Arizona are the toughest places to play in the Pac-10 and maybe the hardest in the nation."

- Amit Tamir (California)

This is a direct result of the student's enthusiasm to support the Ducks. You pay for your tickets through the incidental fee. It's a waste of your money to pick up a ticket and not use it. Don't let your team down . . . use your ticket!

TICKET SWAP

Demand for student tickets is high! If you picked up a ticket and cannot use it, you can drop it by the ASUO office (Suite 4 EMU) or email the Pit Crew at pitcrew1@gladstone.uoregon.edu with "have ticket" as the subject and we will give it to a student who will use it.

Concerns? Comments? Questions?
Email the ADFC at adfin@gladstone.uoregon.edu or call us at 346-3749.
