

Share A Miracle Become An Egg Donor

The Fertility Center of Oregon has helped many couples achieve pregnancy since 1978. We are in need of **Egg Donors** to help infertile women.

Procedures are done in a pleasant local environment over a period of only six weeks, and donors are **compensated \$2500** for their time. If you are a **healthy woman age 21-31** and are interested, call 683-1559 or visit our website at www.WomensCare.com.

"Out of all the people we brought this year, this is the person who has generated the most response," said

Cultural Forum Program Director Justina Parsons-Berstein.

Coleman agreed, adding that students should take advantage of the opportunity to hear a poet of Angelou's caliber.

"She's a multi-talented, multi-dimensional talent of the best kind," he said. "This is a rare opportunity for Eugene and the University."
