Horoscope by Linda C. Black
TODAY'S BIRTHDAY (April 11). You're lucky this year, but it's not all a gift. Your own judgment has a lot to do with it. Although you face challenges, don't be afraid. With faith you can come out on top. Play by the rules, the way you were taught, and you'll gain wisdom and success. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. **ARIES** (March 21-April 19) _ Today is a 9 _ Don't get so interested in playing that you forget to take care of business. You'll have a lot more fun with a few more coins in your pockets. **TAURUS** (April 20-May 20) _ Today is a 5 _ Your place would be perfect for the party this evening, and for most of this weekend. Schedule private time for Sunday. **GEMINI** (May 21-June 21) _ Today is a 7 _ Continue to study as much as you can. What you learn may seem to contradict what you already know, but that's what makes it interesting. **CANCER** (June 22-July 22) _ Today is a 6 _ The work may be challenging, but you're the best one for this job. You'll be rewarded if you concentrate on doing it well. **LEO** (July 23-Aug. 22) _ Today is a 10 _ You're lookin' good, and so are most of your favorite people. You may have a few little squabbles, but you're usually the ones others follow. **VIRGO** (Aug. 23-Sept. 22) _ Today is a 5 _ The best investment you can make now is in fixing up your place. Besides, it'll make you feel much better. It's a win-win situation. **LIBRA** (Sept. 23-Oct. 22) _ Today is an 8 _ Stick to your routine as much as you can, and the day will go by quickly. Follow an enthusiastic friend for a way around any problems. **SCORPIO** (Oct. 23-Nov. 21) _ Today is a 5 _ Your general rule is to never volunteer, but maybe you can make an exception this time. Check with the people who need help. **SAGITTARIUS** (Nov. 22-Dec. 21) _ Today is a 10 _ You're rainin' to go, but there are still a few important tasks on your list. If you don't do them now, they'll slow you down tomorrow, and that would be awful. **CAPRICORN** (Dec. 22-Jan. 19) _ Today is a 5 _ It's hard to get your message across to a person who isn't listening. Save your breath, and show what you mean with deeds instead of words. **AQUARIUS** (Jan. 20-Feb. 18) _ Today is an 8 _ Hand the baton to an enthusiastic teammate. The others can push your project forward while you watch for possible problems. **PISCES** (Feb. 19-March 20) _ Today is a 5 _ Some folks insist on staying the course, and some say it's time for a change. If you keep pointing out what works, you'll benefit either way.
