### Horoscope by Linda C. Black

**Today's Birthday** (May 6). Friends help you acquire valuable skills and come up with new ideas. Don't tackle a difficult project alone. Call in a few favors you're owed.  
**To get the advantage**, check the day's rating: 10 is the easiest day, 0 the most challenging.  
**Aries** (March 21-April 19) \_ Today is a 5 \_ No matter how hard you try, sometimes you just can't win. Don't be discouraged if that's the case. Try again on Thursday.  
**Taurus** (April 20-May 20) \_ Today is an 8 \_ Look into ways to make your money grow while minimizing risks. Err on the side of being too financially conservative.  
**Gemini** (May 21-June 21) \_ Today is a 5 \_ Use what you've recently learned to improve the way that you work. Make your own life easier and bring in a little more cash. If you forgot the lesson, ask a feisty friend.  
**Cancer** (June 22-July 22) \_ Today is an 8 \_ A person who doesn't agree with you may end up showing you respect. You'll achieve that through your demeanor more than through the words you choose.  
**Leo** (July 23-Aug. 22) \_ Today is a 6 \_ Worries keep you from making a bold move, but perhaps that's for the best. Put it off for a day or two and maybe you'll change your mind.

**Virgo** (Aug. 23-Sept. 22) \_ Today is an 8 \_ Things seem to be going well until you run low on cash. Be aware of your limits.  
**Libra** (Sept. 23-Oct. 22) \_ Today is a 5 \_ Career obligations could get in the way of a sweet romantic moment. Call if you're going to be late, for heaven's sake.  
**Scorpio** (Oct. 23-Nov. 21) \_ Today is an 8 \_ Although your energy level is high, there's an awful lot to be done. If you back up a hunch with solid facts, you'll really impress a skeptic.  
**Sagittarius** (Nov. 22-Dec. 21) \_ Today is a 5 \_ Someone you love may be slightly tweaked until you explain your plan. You want to save up for the future, perhaps even your future together.  
**Capricorn** (Dec. 22-Jan. 19) \_ Today is an 8 \_ You may be just a tad on edge, so count to 10 before snapping. You're not the only one who's tense, and you can help calm the others.  
**Aquarius** (Jan. 20-Feb. 18) \_ Today is a 6 \_ An item that's only in your way is useful to somebody else. Don't worry about getting paid for it. Just get it out of there.  
**Pisces** (Feb. 19-March 20) \_ Today is an 8 \_ There's more than enough to keep you busy \_ busier than you want to be. If you can postpone romance for a while, you can build up a tidy sum.
