who you admire," she said. "So it will be good for everyone to compete with someone at that level."

"Abby's a really tough competitor, and we've seen that all year long," Oregon women's head coach Tom Heinonen said. "There's a lot she can achieve this weekend."

Along with the multi-event championships, Oregon sends four athletes to Palo Alto, Calif., in a last-minute attempt to earn Pac-10 and regional qualifying marks at Stanford's Cardinal Qualifier.

Redshirt freshman Sara Schaaf and senior Eri Macdonald will look to improve in the 800 meters. Schaaf is just two seconds off of the Pac-10 and regional qualifying standard after running a personal best of 2:12.87 in the

Oregon Invitational.

"I've had it on my mind every day," Schaaf said. "I've been given one more opportunity to give it my all, do my best and get out there."

Junior Jill Hoxmeier will try and reach the 168 foot, 4-inch mark in the women's hammer with a current personal best of 162-6.

Oregon will also send redshirt senior Carrie Zografos as she tries to slide under the regional 5,000-meter qualifying mark of 17 minutes.

After qualifying in the 1,500 meters last weekend in a personal best of 4:26.09, chances seem good.

"Her time in the 1,500 clearly shows she can run under 17 minutes," Heinonen said.

trip down to Los Angeles.

"A lot of the teams have just one person there; we'll have three guys," Slye said. "That alone is a huge advantage for all of us. Especially if Santi's off to a great start, it's motivation for us to stay with him."

The bottom line, Lorenzo said, is that the three Ducks need to start the rest of the team off on the right foot.

"We like it because we know we're good, and we can do good things for the team," Lorenzo said.

In other action this weekend, Oregon will send a handful of athletes to Palo Alto, Calif., for the Cardinal Qualifier. The group includes thrower James March, distance runner Erik Heinonen and freshman high jumpers Chad Clason, Jeff Lindsey and Teddy Davis.

Horoscope by Linda C. Black

Today's Birthday (May 9). Making your home comfortable is an achievable goal this year. You might decide to entertain, too, and that would give you a good reason to fix up the place.
 To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
Aries (March 21-April 19) _ Today is a 7 _ Taking action works much better now than just talking about it. There's been plenty of time for that. Don't ignore financial limits.
Taurus (April 20-May 20) _ Today is a 6 _ Entertaining at your house could be lots of fun, for you as well as your guests. Let them know how they can help. That way you're not stuck with all of the work.
Gemini (May 21-June 21) _ Today is a 6 _ Recent disruptions concerning your home could make you more secure. Don't focus on the messes. Concentrate on cleaning them up.
Cancer (June 22-July 22) _ Today is a 6 _ Greater abundance can be yours without a lot more work. Request a cost-of-living increase so that you can attain the lifestyle to which you'd like to become accustomed.
Leo (July 23-Aug. 22) _ Today is a 7 _ Get the job done early and avoid a reprimand. Set up a date for later with a bunch of your very best friends.

Virgo (Aug. 23-Sept. 22) _ Today is a 7 _ You may have felt stuck lately, but that won't be the case for long. Better decide what you want to create. The opportunity is coming.
Libra (Sept. 23-Oct. 22) _ Today is an 8 _ It sure would be a lovely day to take off a little early. If you get paid by the hour, though, that's not a good idea.
Scorpio (Oct. 23-Nov. 21) _ Today is a 6 _ They say that opposites attract, and if that's really true, you ought to have a lot of fun. Minimize compromise.
Sagittarius (Nov. 22-Dec. 21) _ Today is an 8 _ Conditions improve toward the evening, but things get complicated again tomorrow. Better schedule a date for tonight. You may be too busy this weekend.
Capricorn (Dec. 22-Jan. 19) _ Today is a 6 _ You can accumulate a lot if you set your mind to it. Working hard is an asset, of course, but self-discipline is the key.
Aquarius (Jan. 20-Feb. 18) _ Today is a 7 _ The direct approach may not seem to work, but a roundabout process will. If at first you don't succeed, try a different tactic.
Pisces (Feb. 19-March 20) _ Today is a 6 _ Hold your course and finish doing what you said you'd do. You can increase your status as well as your income.
