

Shot put

continued from page 7

idea was to give them their center stage, and maybe someone will step forward."

Godina, who set the former Hayward Field record in 1999, took third in last year's event with a throw of 71-10 3/4. The 1996 Olympic silver medalist and 2000 bronze medalist has thrown farther in his career. In 2001, at the Peregrine Systems U.S. Open in Palo Alto, Calif., he threw the shot 72-0 3/4.

The 6-foot-4-inch Godina, a 1995 graduate of UCLA, is a veteran in track and field circles and has the talent and desire to take first on Saturday.

"I don't think you're going to see anything close to it this year, but I guarantee you next year you're to see some big throws," he told The Associated Press after the

"We hope (they'll set records). The idea was to give them their center stage, and maybe someone will step forward."

Tom Jordan
Pre Classic meet director

U.S. Track and Field Championships last June. "That itself is going to electrify our event. Don't even try to shoot a starter's gun when that's happening."

Toth is a slightly bigger version of Godina, standing at 6-foot-4-inches as well, but weighing in at 295 lbs. Toth, 35, is also an older version of Godina.

Still, he took last year's Prefontaine with a throw of 72-9 3/4.

That was his personal record at the time. However, he has topped that this year, throwing the shot at 74-4 1/2 at the Kansas Relays earlier this year. It was the best throw in the world since 1990.

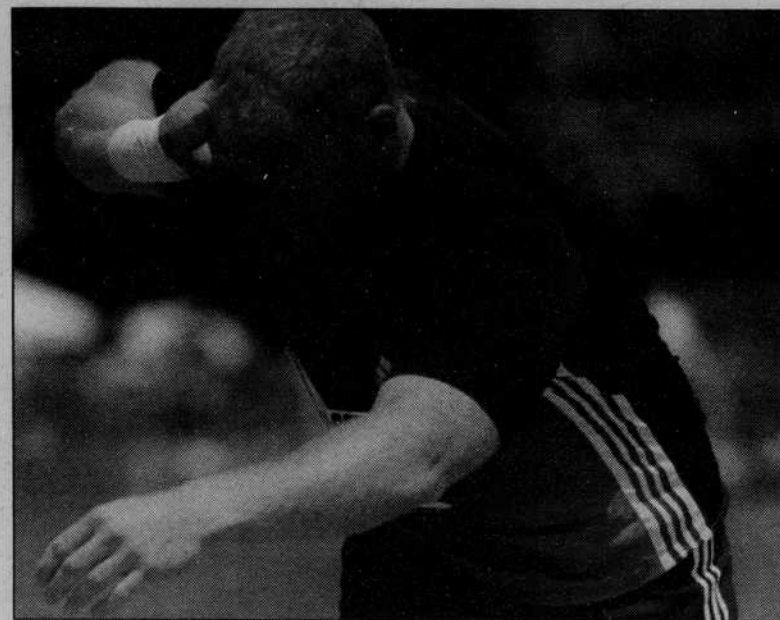

At the Prefontaine last year, the throw was just a starting point for the McNeese State graduate.

"Watch out, man," he said last year. "I know bigger things are coming."

The same could be said of this year, even if Toth has already topped last year's Prefontaine performance.

The group is broken up for now, but the duo will undoubtedly remember last year's electrifying performance. They'll have to, especially with an expected sellout crowd of at least 12,000 fans at Hayward Field for the 29th annual Prefontaine

Contact the sports reporter at hankhager@dailymerald.com.

John Godina took third last year, but the veteran won silver at the Olympics in 1996. Emerald

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 21). Take action on your dreams this year, even if it's scary. You may surprise yourself and also bolster your sagging income. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) _ Today is a 7 _ Although it's still a little hard to get ahead, you'll notice that your friends are rooting for you. Still, make practical decisions.
TAURUS (April 20-May 20) _ Today is a 6 _ You're entering a rather challenging phase that ultimately works out well. But be stingy with your resources in order to make them last longer.
GEMINI (May 21-June 21) _ Today is a 7 _ You've made it through your recent ordeal, and you're almost in the clear. However, don't forget what you've learned, or what you've promised.
CANCER (June 22-July 22) _ Today is a 7 _ Once you've made a few decisions, you'll be able to relax. As usual, vote in favor of conserving for the future. New income will take care of the present.
LEO (July 23-Aug. 22) _ Today is a 6 _ You won't be spending quite as much time struggling to get ahead. You've pretty much made your pitch by now. Soon you'll be able to celebrate.
VIRGO (Aug. 23-Sept. 22) _ Today is a 7 _ Your workload is increasing, but your paycheck is staying the same. Don't

worry, it won't be that way forever. Keep stats in order to justify your raise.
LIBRA (Sept. 23-Oct. 22) _ Today is a 7 _ The upcoming phase will be easy on you. It might even be fun. Is there a book in your brain that wants out? It's a good season for writing.
SCORPIO (Oct. 23-Nov. 21) _ Today is a 5 _ A recent decision to fix things at home leads to a shopping expedition. New technology helps you solve the problem, though it could leave a dent in your wallet.
SAGITTARIUS (Nov. 22-Dec. 21) _ Today is an 8 _ During the coming 30-day phase, you'll learn to work well with a partner. You'll learn to appreciate coaching, and maybe even criticism. That's the assignment, anyway.
CAPRICORN (Dec. 22-Jan. 19) _ Today is a 7 _ Some call you a workaholic, but you don't see that as a fault. It'll be a blessing now, as you refill your depleted reserves.
AQUARIUS (Jan. 20-Feb. 18) _ Today is a 7 _ You should be getting more confident, and better looking, too. That might be due to attention you get from someone who cares about you.
PISCES (Feb. 19-March 20) _ Today is a 6 _ The coming phase will emphasize household chores and changes. If you've been thinking about improvements, start drawing up plans.
