**Horoscope** by Linda C. Black

**TODAY'S BIRTHDAY** (May 30). Finish up old projects this year. Check things off your to-do list. This won't be easy, but it leads to more creativity. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) \_ Today is an 8 \_ You're faster than the speed of light today, able to leap tall buildings in a single bound. Watch where you're going!

**TAURUS** (April 20-May 20) \_ Today is a 6 \_ Start by carefully explaining what's needed. Praise others for the talents they have that would be most helpful. Then, ask them to help.

**GEMINI** (May 21-June 21) \_ Today is an 8 \_ You feel the energy coming in? That's the new moon in your sign. It's time to start new projects. You're getting into the groove.

**CANCER** (June 22-July 22) \_ Today is a 6 \_ Playing a hunch could prove to be a very good move. This isn't really a gamble, though. It's more like taking on extra work to get additional benefits.

**LEO** (July 23-Aug. 22) \_ Today is a 7 \_ Slowly but surely, conditions change in your favor. This new moon could mark the start of your next successful venture.

**VIRGO** (Aug. 23-Sept. 22) \_ Today is a 6 \_ Changes are coming again, so watch out! And set your priorities. If you know exactly what needs to be done, you'll finish ahead of the crowd.

**LIBRA** (Sept. 23-Oct. 22) \_ Today is an 8 \_ A combination of learning and teaching will work well for you now. Your communication skills are improving with practice.

**SCORPIO** (Oct. 23-Nov. 21) \_ Today is a 6 \_ It's possible for you to make more money without doing any more work. Be smarter instead of continuing with what you were doing before.

**SAGITTARIUS** (Nov. 22-Dec. 21) \_ Today is an 8 \_ There's a lot that you can do, but you don't have to do everything. Somebody who's smart and capable would be glad to lend you a hand. Ask.

**CAPRICORN** (Dec. 22-Jan. 19) \_ Today is a 6 \_ If you want to be very cool (and you do), you can make a tough job look easy. Don't slack off; push hard now. Victory is within reach.

**AQUARIUS** (Jan. 20-Feb. 18) \_ Today is an 8 \_ Even if there's still a mess at home, schedule a date for tonight. You and your sweetheart need to relax. Everything else can wait.

**PISCES** (Feb. 19-March 20) \_ Today is a 5 \_ You've had to face some challenges in the last day or two. Give yourself credit for making it through, and take it easy tonight.
