

COMPARATIVE LITERATURE AT THE UNIVERSITY OF OREGON...

Check out our summer course offerings!
June 23 through July 18, 2003 (Session 1):

CRN 40414 • 4 credits • 10-11:50 MUWH • 312 Villard • Shyla Osborn

**COLT 203
The World of Poetry: Caribbean Rhythms**

Informed by the turbulent events of the time, reggae music emerged from a complex network of roots and flourished in various cultural contexts, including a richness of Afro-Caribbean Anglophone poetry (including, but not limited to, Jamaica) dating back to the 1950s. Poets on our reading include the work of Derek Walcott, Edward Kamau Brathwaite, Grace Nichols, Lorna Goodison, David Dabydeen, Kwame Dawes, Jean Binta Breeze, and Michelle Cliff.

Jackson named finalist for USA team

Luke Jackson was named Sunday as one of 17 players on the list of finalists for the USA team that will play in August's Pan-American Games.

"I was a little nervous before, so when I found out, I was really excited and just relieved," Jackson said on Sunday. "I am just pretty thrilled right now thinking how I may get to represent my country this summer."

Jackson joined 50 other players who were invited to the USA Basketball Men's National Team Trials that began on Friday. Twenty-three of those players were also eligible for the USA Basketball Junior World Championship Team coached by Oregon head coach Ernie Kent.

The 17 selected for the USA men's team will attend a training camp in July where they will be narrowed to the final 12.

"I definitely want to develop as a player and get better in different aspects of my game," Jackson said. "Right now I am more of a perimeter player so I want to work on different dimensions of my game."

Softball season ends with awards

Five Ducks earned team honors at Oregon's annual softball banquet on Saturday.

Senior Andrea Vidlund was named the Most Outstanding Player after leading the team with a .370 batting average and setting a single-season home run record with 16. She also earned 11 saves in the pitching circle to lead the nation.

Amy Harris earned the top pitcher award. In her first season, Harris set a freshman single-season record with 180 strikeouts.

Senior Amber Hutchison was named the top offensive player, freshman Breanne Sabol earned top defen-

sive player and junior Julie Jaime was named Most Inspirational.

Hutchison led the team with 19 stolen bases while Sabol started every game at shortstop in her first college season.

Ellis named to All-Region Team

John Ellis, who led the Oregon men's golf team to its first NCAA Championships appearance in four years, earned a spot on the 15-person Ping Pacific All-Region Team.

Ellis' 72.3 season stroke average helped him finish in the top 10 six times this year, including a tie for first at the Oregon Duck Invitational in March.

The team captain finished 14th at the Pacific-10 Conference Championships and tied for 22nd at the NCAA West Regional. Before the unannounced cut at the national meet, Ellis was third among the five Ducks competing.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (June 3). You may not have been very good at keeping secrets in the past. However, you can develop this skill with practice. If you develop it this year, you'll be well rewarded. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is a 7 _ A better romantic relationship is yours in exchange for extra time spent listening. Your consideration is greatly appreciated, as you'll soon discover.

TAURUS (April 20-May 20) _ Today is a 7 _ You've always been good at managing money. Amazingly, you're getting even better. You'll notice that it soon gets easier to live more comfortably on less.

GEMINI (May 21-June 21) _ Today is a 6 _ Even for a master communicator like yourself, sometimes it's hard to get the message across. This time, no words are required. Just do something you promised to do.

CANCER (June 22-July 22) _ Today is a 7 _ Let friends know how much you appreciate their support. You're determined to handle whatever needs to be done, and you have their backing on that. Let them know how to help.

LEO (July 23-Aug. 22) _ Today is a 6 _ The indirect approach still works best. Work within the system to make the greatest impact. Let somebody else state how you feel and then take the flack for it. Choose someone who's good at it.

VIRGO (Aug. 23-Sept. 22) _ Today is a 7 _ The job is harder than it needs to be due to conflicting orders. Don't hold a grudge; just get it all straightened out so that you and your friends can party.

LIBRA (Sept. 23-Oct. 22) _ Today is a 6 _ A person who's been there and done that is the best one to consult. Ask a person who's already got a lot to help you acquire more.

SCORPIO (Oct. 23-Nov. 21) _ Today is a 7 _ A loved one may be just a little hard to understand. Focus on the love shining through and ignore the flaws.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 6 _ You can go on an excursion without destroying your budget. All you have to do is find business to do there. For example, you could buy something they have a lot of, then take it to where there isn't any.

CAPRICORN (Dec. 22-Jan. 19) _ Today is an 8 _ True love is more than candlelight and music. For you, it's inspired by working together on a shared project. That could happen soon.

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 6 _ You're motivated by a vision of utopia. The trick is getting there. You're in the planning phase, but soon you'll have to roll up your sleeves. Don't be afraid.

PISCES (Feb. 19-March 20) _ Today is a 7 _ Romance in a domestic setting is still your best bet. You save money, you have lots of privacy, and the ambience is refreshingly authentic.
