phone package and get an additional 500
minutes a month for the same price

Qwest has everything you need to succeed in school:
high-speed Internet, home phone service, wireless, you
name it. One bill, one number to call—all from Qwest.

Visit qwestwireless.com or
call **1 800-471-0332**

Handset shipping and handling charge of \$9.95 will be added to your first bill. **Wireless plan:** Price(s) do not include taxes or applicable surcharges. Calls timed from send/talk to end/off. Completed calls billed in full-minute increments rounded up to the next minute. A per-phone activation and termination fee applies according to Wireless Service and Wireless Handset Agreement for the plan selected. Qwest coverage areas are shown on the coverage maps included with your Wireless Phone and are available on our Web site. Coverage maps are an approximate representation of the Qwest network, not a guarantee of service availability. Your Service plan applies to a primary coverage area ("Home Coverage Area," which includes Expanded Home Coverage Area if you subscribe to it) in which you may utilize all the features and benefits of your Service plan if you are on the Qwest network. You may be unable to place calls on the Qwest network, even in your Home Coverage Area. If you are unable to place calls on the Qwest network, you may be able to place calls through other providers; this is known as "roaming." Roaming is not available in all areas. You may or may not receive calls while roaming. Your Wireless Phone is set to allow roaming calls automatically. When you are roaming, your Service plan features and billing advantages may not apply and additional roaming charges, which are subject to change without notice, will apply. If you do not wish to incur roaming charges, consult your Wireless Phone's user manual for instructions on disabling the automatic roaming feature (but note that if you disable the roaming feature, you will only be able to place calls on the Qwest network). If Qwest does not have a roaming agreement with another wireless provider, you may be able to use "Manual Roaming," which means you will be required to provide a credit card number to which the call will be billed at the provider's roaming rate. See terms and conditions for complete details. Long-distance and roaming charges may apply. Domestic wireless long-distance included only when selected carrier is Qwest Long Distance. Service not available in all areas. Subject to credit approval. Some restrictions apply. **Text Messaging:** Text messaging-capable phone and wireless carrier text service required. Maximum message length varies by handset. Qwest not responsible for security, content or accuracy of any message. Message delivery not guaranteed or encrypted. Messages not retrieved from Qwest network in 72 hours are deleted. Sending of unsolicited messages prohibited and may cause service termination. **Internet Access:** Service available in limited areas. **Rebate offer:** Offer valid for new Qwest Wireless customers on purchase of new Motorola 60i or T720 handset and one-year or greater Qwest Wireless Service plan with a minimum monthly charge of \$39.99 by 8/8/03. Wireless plan must be active for at least 31 consecutive days and in good standing at the time the rebate is processed for the rebate check to issue. Offer void if phone is returned. Fully complete and return original rebate form, UPC code and copy of sales receipt to address on back of rebate form postmarked by 10/16/03. Photocopied, reproduced or incomplete forms will not be accepted. Please allow 10-12 weeks for processing. Resellers and distributors and their immediate families are not eligible. Offer not valid with any other rebates, offers or promotions. One request per Qwest Wireless phone number, maximum of 15 requests per billing address. Qwest is not responsible for lost, incomplete, late, postage-due or misdirected requests. Offer subject to change or withdrawal without notice. Lost or stolen rebate checks will not be replaced. ©2003 Qwest Communications International Inc.
