Horoscope by Linda C. Black
TODAY'S BIRTHDAY (Sept. 5). A move or renovation seems awful but turns out fine. You'll also be able to prove to your friends that you know what you're talking about. Sweet victory.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) Today is a 5 - You're already too busy, with more work still coming in. How will you manage it all? That's the question to ask your coworkers. You can figure it out together.
TAURUS (April 20-May 20) Today is a 10 - Don't rush into a situation that's still in a state of flux. When things settle down a bit, you'll see exactly what needs to be done. Patience is one of your best skills.
GEMINI (May 21-June 21) Today is a 4 - Adaptability is required, but it's nothing you can't handle. Don't fight reality - or gravity, either. You'll do best playing by the rules. Buy only the best.
CANCER (June 22-July 22) Today is an 8 - A minor glitch or two only serve to help you hone your skills. Be careful and be confident, with the help of a wise tutor.
LEO (July 23-Aug. 22) Today is a 5 - You won't have much time for fun and games for another day or two. Schedule your date for after then. Meanwhile, concentrate on work.
VIRGO (Aug. 23-Sept. 22) Today is an 8 - With the help of an old friend or lover, sort through the mess and find the answers you seek. Get an objective, supportive point of view, especially if you don't have one.
LIBRA (Sept. 23-Oct. 22) Today is a 5 - Don't disregard that nagging little voice inside your head. At least one of the things it's telling you will be helpful. Many things, really, but you can simply take them one at a time.
SCORPIO (Oct. 23-Nov. 21) Today is an 8 - Others look to you for advice. Go ahead and be directive. Don't make them wander aimlessly for hours. Tell them where to go.
SAGITTARIUS (Nov. 22-Dec. 21) Today is a 5 - Abundance can be yours if you do what you've done before. It's either that, or you're doing what you know you should do.
CAPRICORN (Dec. 22-Jan. 19) Today is an 8 - An educational experience would be quite satisfying now. Think you can set one up? It doesn't really matter if you're the student or the teacher. They're flip sides of the same coin.
AQUARIUS (Jan. 20-Feb. 18) Today is a 5 - An insider gives you the tip you need to make a good deal. The trick is, you have to know whom to ask. Don't pay too much for information.
PISCES (Feb. 19-March 20) Today is an 8 - Friends want to coax you out to play, so let them talk you into it. You need to work off the energy you've had to stifle recently.
