

sorority life

The Chi Omega ladies (from right to left) Kate Ottum, Courtney Warner and Kristin Weber show that they've got what it takes to hang with Marilyn Monroe as they dance and sing for their guests on Activity Night.

Though Bid Night puts a closure on recruitment, this night is only the first of many for freshman Stephanie Grein as a new member of Chi Omega.

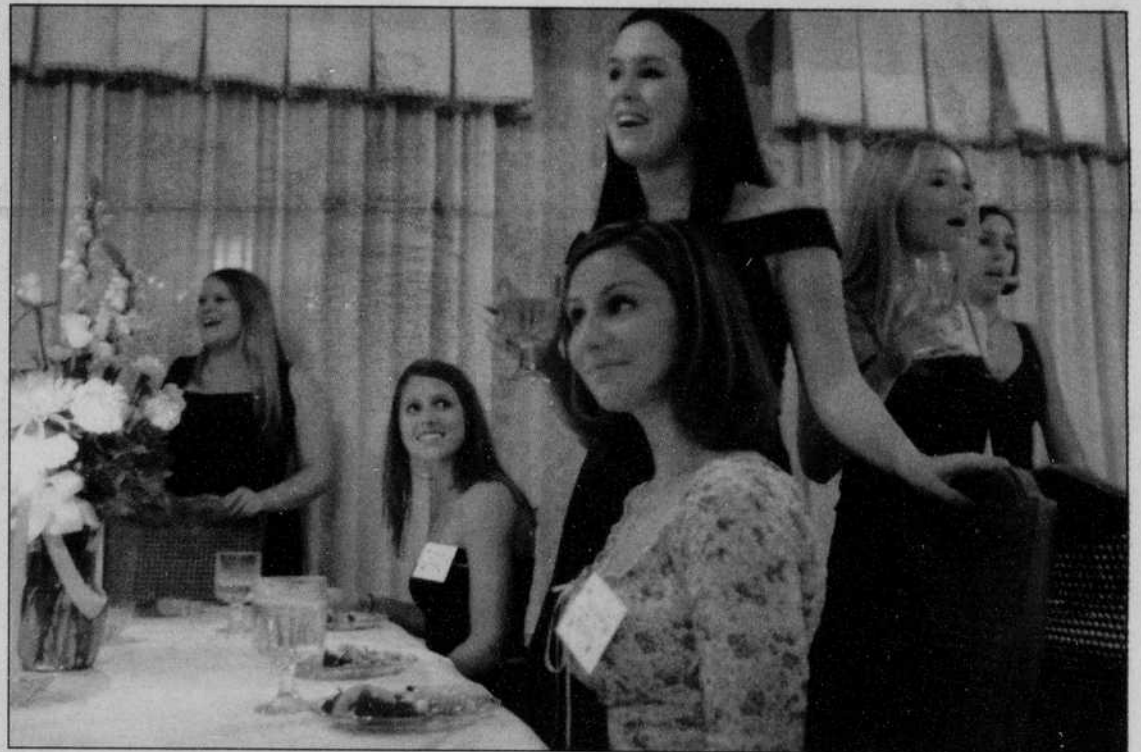

Chi Omega President Amy Seely motions for her sorority sisters to gather as they prepare to greet the upcoming party of women for Open House.

Freshman Alex McKinley makes a wish as part of Philanthropy Night, where Chi Omega introduces their affiliated charity group, Make a Wish Foundation, to the potential new members.

Before dinner, Chi Omega women, including sophomore Kit Seely (standing over future member Caity McLean), announce a toast and sing to begin the evening on a good note.
