Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 16). Your assignment this year is to expand your influence and accept a leadership role. This means you'll have to show others that you can be trusted to make good decisions - a skill partially learned through experience. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) _ Today is a 6 _ Intellect and emotion vie for your attention. Don't overlook one or the other if you want to find the right answer.
TAURUS (April 20-May 20) _ Today is a 7 _ You could learn a lesson by making a mistake. Be careful so that you can catch it before you've damaged more than your pride.
GEMINI (May 21-June 21) _ Today is a 7 _ Curtail your spending, even if you'd be spending for a good reason. Give a loved one your time and attention instead. It'll be appreciated.
CANCER (June 22-July 22) _ Today is a 7 _ It's possible that you'll be in a cantankerous mood, so you may not have much patience with a spacey person. Don't snap.
LEO (July 23-Aug. 22) _ Today is a 7 _ You could encounter one of your oldest fears. Face it down. You just might amaze yourself.
VIRGO (Aug. 23-Sept. 22) _ Today is a 7 _ The people who find out that

you're doing well may try to tap you for a loan. Lending money wouldn't be a good idea now.
LIBRA (Sept. 23-Oct. 22) _ Today is a 7 _ Beware of an opportunity that might cost you too much. Is fame or fortune worth the loss of your style? I think not.
SCORPIO (Oct. 23-Nov. 21) _ Today is an 8 _ It would be great to get away for just a couple of days. Unfortunately, there's something you need to take care of before you can go.
SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 6 _ This is a much better day for listening than for asking questions. More is going on behind the scenes than you can see out in the open.
CAPRICORN (Dec. 22-Jan. 19) _ Today is a 7 _ It wouldn't hurt to have a wise partner on your side for a while. You can't be everywhere at once, no matter how hard you try.
AQUARIUS (Jan. 20-Feb. 18) _ Today is a 7 _ Making up your mind was important. Now, get down to work. Start by learning all the rules of the game you're going to win.
PISCES (Feb. 19-March 20) _ Today is an 8 _ Romance looks promising, but money is still tight. If a friend dumps you now, consider it good luck. You'll do better.
