"We knew Sarah was going to be a finisher," Ferreira said. "I'm very pleased with her growth and development through the first half of the conference."

500-kill club

Kelly Russell needs only 14 kills to reach a total of 500 for her career. The sophomore middle blocker leads Oregon in kills with 197 and kills per game with 3.23, while hitting at a .265 clip.

Fan support

Ferreira said earlier in the season

that Washington State was home to the best volleyball atmosphere in the Pac-10. The Cougars drew 1,789 fans for Friday's match against Washington at Bohler Gym. It was their largest crowd of the season.

Pac-10 powers

Five Pac-10 teams can be found in the top 10 of this week's USA Today/AVCA Coaches poll, including No. 1 USC, No. 6 Stanford, No. 7 California, No. 9 UCLA and No. 10 Washington. It is believed to be the first time five Pac-10 teams have been in the top 10 since the early 1980s.

You'd have to figure that Harrington's rating would've been higher for simply stepping on the field with his uniform up to league standards.

On the season, his passer rating is a somewhat — remember the key word, "somewhat" — respectable 56.8, which is actually better than Philadelphia's Donovan McNabb.

However, that figure doesn't even place Harrington in the top-25 quarterbacks of the NFL. Likewise, it puts him at 14th on the NFC list — out of 16 quarterbacks.

Meanwhile, Palmer has yet to step on the field for the Bengals. He has,

however, been given an opportunity by Cincinnati management to learn the system and stay away from the bumps and bruises that Jon Kitna will absorb as the team's starter.

Harrington isn't so lucky. He's being blamed for what ails the Detroit offense, the Detroit media is coming down hard on him and the optimism he has shown throughout the season has got to be waning.

Harrington and the Lions visit Chicago next week at Soldier Field.

Will it be 1-6, or 2-5?

suit and look for programs to expand the conference; however, it has said it will not follow the Atlantic Coast Con-

ference, the Big East Conference, Conference USA and the WAC in NCAA dominoes. There are no plans to expand the conference to more than the 10 teams that currently play in the conference.

The conference hasn't said any-

thing after the recent news, but Pac-10 commissioner Tom Hansen told the Los Angeles Times on Sept. 24 that nothing is in the works.

"We've determined that we are not going to be directly or indirectly affected by what happens in the ACC

or the Big East," Hansen said. "In addition, our members are very comfortable with our configuration and have no desire to change. We have not discussed expansion."
