Horoscope by Linda C. BLACK

TODAY'S BIRTHDAY (Oct. 23). Spiritual backing from loved ones is very important this year. It gives you the imagination to solve whatever problems you encounter. Be thankful. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is a 7 _ Your partner may be able to get through in spots where you're turned back. Don't worry about how the message gets across. Just make sure that it does.

TAURUS (April 20-May 20) _ Today is a 6 _ Are you being tested to see how much you can bear? If so, it's not a bad way for others to find out. Don't worry: You're nowhere near your limits.

GEMINI (May 21-June 21) _ Today is an 8 _ You and your sweetheart have come up with all sorts of great plans for the future. Get them down in writing now, while you still have the time.

CANCER (June 22-July 22) _ Today is a 7 _ You're entering a romantic time of year. Schedule your big date for now, and make it last throughout the weekend.

LEO (July 23-Aug. 22) _ Today is a 7 _ The questions continue to accumulate. Don't worry about the answers. They've been there all along, within a solid love.

VIRGO (Aug. 23-Sept. 22) _ Today is a 6 _ You've been kept busy for several

weeks, working and gathering cash. You'll keep that up for a little while, but you're developing other interests.

LIBRA (Sept. 23-Oct. 22) _ Today is a 7 _ You may not be quite as aggressive in public over the next few weeks. In private, however, you're still right on target. Take care of your best interests.

SCORPIO (Oct. 23-Nov. 21) _ Today is a 7 _ You may have noticed a lot more activity in your subconscious mind. This is a secret weapon you use to confound your adversaries.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 6 _ You've been involved with the public more than usual for the past few weeks. Now, you'll have more time to be alone for meditation and planning.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 6 _ Follow the orders you receive as close to the letter as you can. Being obedient to a gentle person serves you well.

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 7 _ By now you should have learned enough to advance to the next level. You'll undergo a series of tests in the next few weeks that will help you find out whether you've made it.

PISCES (Feb. 19-March 20) _ Today is a 5 _ You can increase your fortunes, but it won't happen by chance. Making money is as much of a science as it is an art. Study.
