Horoscope by Linda C. BLACK

TODAY'S BIRTHDAY (Oct. 30). You learn better by doing than by reading or talking. Devote more time this year to practice. Then, sit back and watch your self-confidence grow.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is a 4 _ You're in the middle of one of those valuable learning experiences. Trouble is, you may not know what the lesson is. It has to do with love.

TAURUS (April 20-May 20) _ Today is a 10 _ You don't have to tell a soul about your fantasies. Except, perhaps, for the person you'd like to share them with _ under a vow of secrecy, of course.

GEMINI (May 21-June 21). Today is a 4 _ Continue to work hard and squirrel away provisions for the winter. The more you can accumulate now, the better off you'll be then.

CANCER (June 22-July 22) _ Today is a 9 _ If you need words today, you'll find them. It's quite possible, however, that you can get your message across without them. Accept the challenge.

LEO (July 23-Aug. 22) _ Today is a 5 _ You may be a gifted leader, and maybe you even have magical powers, but it's your persistence that's in demand now. Hang in there!

VIRGO (Aug. 23-Sept. 22) _ Today is a

9 _ You're just about the cutest thing someone's ever seen. No point in arguing with a person who has such excellent taste!

LIBRA (Sept. 23-Oct. 22) _ Today is a 5 _ A project that initially frustrates you could turn out to be satisfying. Let your imagination have free reign and go wherever it takes you.

SCORPIO (Oct. 23-Nov. 21) _ Today is an 8 _ Luckily, you're not the kind of person who has to always win. Although you win in the end, of course.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 5 _ You can keep your thoughts hidden when that's what the circumstances require. That would be a good idea for just a little while longer.

CAPRICORN (Dec. 22-Jan. 19) _ Today is an 8 _ Make your move as early in the day as possible. Complications will arise later on.

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 5 _ Somebody up there likes you, so ask for more than you deserve. The odds are good you'll get it _ if you're obedient.

PISCES (Feb. 19-March 20) _ Today is a 9 _ The computer may crash and the cell phone may die, but who needs 'em anyway? You and your friends get along just fine with old-fashioned personal interaction.

RUBES

Despite all the potential glory, Clyde was reluctant to attempt another heroic catch.
