- Outstanding opportunities for promotion

The Scholars Intern Program

Our internship program is designed for undergraduate college students who have the potential to become Cintas Management Trainees.

A Focus on Development

Our Scholars and Management Trainee Programs produce top-notch Cintas Partners who have superior management skills, an in-depth understanding of our business and industry, and enthusiasm for our intense, fast-paced environment.

If you have high degrees of self-discipline and drive, and you're interested in creating a rewarding, high-performance management career, we want to meet you. Please visit our booth at the career fair on November 5th.
