

Graduate and Professional Schools

	School	School Profile
82	Savannah College of Art and Design	The Savannah College of Art and Design is a private, non-profit, accredited college awarding bachelor of fine arts, master of architecture, master of arts and master of fine arts degrees. The college offers 22 major areas of study: animation, architecture, architectural history, art history, broadcast design, fashion, fibers, film and television, furniture design, graphic design, historic preservation, illustration, industrial design, interactive design and game development, interior design, media and performing arts, metals and jewelry, painting, photography, sequential art, sound design and visual effects. Minors are offered in each of the major programs as well as in dance, decorative arts, drawing, electronic design, interaction design, museum studies, printmaking, sculpture, sound design and writing.
83	Seattle University - School of Law	Our location in Seattle combines the best of both worlds - a university community in a vibrant neighborhood and easy access to the region's largest legal community. Focus areas are Business, Tax, Civil Advocacy, Commercial, Criminal, Environmental, Estate Planning, International, Intellectual Property, Labor/Employment, Poverty and Real Estate.
90	Southwest College of Naturopathic Medicine & Health Sciences	Accredited four-year professional level medical program resulting in a Doctor of Naturopathic Medicine Degree (ND). Studies concentrate on natural approaches to therapy; strong emphasis on disease prevention, integrated clinical education. Graduates sit for professional board exams for licensure as naturopathic physician within licensed states.
91	University of Calgary - Graduate Studies	The University of Calgary is one of Canada's top research-intensive institutions, and provides a broad range of Master's and Doctoral programs. We design our programs and research activities to achieve recognized national and international standards of excellence. The University of Calgary is located in Calgary, Canada's fastest growing, and one of its most dynamic and entrepreneurial cities. Calgary has been ranked as one of the top three "best places to live" by the United Nations.
89	University of Minnesota - School of Law	Well into its second century, the University of Minnesota Law School continues to sharpen the minds and challenge the intellects of some of the best law students in the country, preparing them to apply their talents and intellectual strengths to the public and private good. The history of public and private cooperation that undergirds the region's progressive community life has attracted to the Law School individuals with the talent and motivation to improve society.
56	University of Oregon - Graduate School	The University offers academic master's and doctoral studies in the physical and biological sciences, social sciences, humanities, architecture and allied arts, business, education, journalism and communication, law, and music. The Graduate School oversees the policies associated with the admissions process. Each applicant makes initial contact with the desired department or program in order to receive admission materials, guidelines, and specific departmental requirements and deadlines.
57	University of Oregon - Lundquist College of Business	The Oregon M.B.A. curriculum crosses functional and disciplinary lines, for we see the MBA as a broadly generalist and managerial degree instead of a narrowly specialist and functional one. Classroom and experiential learning are integrated through innovative Strategic Planning Projects, which partner West Coast corporations with teams of first-year students. Small, informal, and collaborative, the program is known for strengths in sports business, entrepreneurship, and finance.
93	University of Portland - Pamplin School of Business	The University of Portland's Robert B. Pamplin Jr. School of Business Administration offers you an MBA with a solid, cross-disciplinary exposure to the key areas of business and concentration in Entrepreneurship, Global Business, Marketing, Management, and Finance. In our AACSB accredited, student-centered environment, you can complete an MBA at either a part-time or full-time pace. Our program is also well structured for the working professional. Now offering a Post MBA certificate.
94	University of San Francisco - School of Law	At USF, our goal is to educate students to be effective lawyers with a social conscience, high ethical standards and a global perspective. We emphasize professional skills and quality classroom teaching. Our students learn not only how lawyers think, they also practice doing what is required of lawyers.
67	University of the Pacific - Pharmacy, Physical Therapy, Speech - Language Pathology	University of the Pacific's School of Pharmacy and Health Sciences offers programs in Pharmacy, Physical Therapy, Speech-Language Pathology and Pharmaceutical and Chemical Sciences.
68	University of the Pacific - McGeorge School of Law	McGeorge provides a unique legal experience through its 22 acre law school only campus. This beautiful campus features on-campus housing, a state of the art courtroom, technologically advanced classrooms, clinical programs and much more. The school has concentrations in: Governmental Affairs, Advocacy, International Law, Intellectual Property, Tax and Criminal Justice.
92	University of Wales, Lampeter, United Kingdom	The University of Wales Lampeter is a compact and intimate campus University which is set in an area of outstanding natural beauty. Away from the stress of city life, Lampeter is human size, with no shuttling by bus between lectures and accommodation. The atmosphere is peaceful, the air is clean, and we have the lowest crime rate in Britain.
95	Whittier Law School	Whittier Law School was founded in 1966 as an institution designed to provide a superior public-centered legal education. The Law School is fully accredited by the ABA and is a member of AALS. Law specialties include: Child Advocacy, Corporate, Criminal, Intellectual Property, International, Comparative and Health Law.
64	Willamette University - Atkinson Graduate School of Management	Willamette offers the J.D., J.D./M.B.A. for Business, Government, and Not-for-Profit Management; J.D./Certificate programs in Dispute Resolution, Law & Business, Law & Government, and International & Comparative Legal Studies. Additional studies include international programs in China, Germany and Ecuador. Generous merit scholarships are available to talented students regardless of residency. Willamette is home to the nationally recognized Center for Dispute Resolution, Oregon Law Commission, and Public Policy Center. Willamette offers the J.D., J.D./MBA for Business, Government, and Not-for-Profit Management; JD/Certificate in Dispute Resolution; and the new JD/certificate programs in Law & Business, Law & Government, and International & Comparative Legal Studies.
65	Willamette University - College of Law	Willamette offers the J.D., J.D./M.B.A. for Business, Government, and Not-for-Profit Management; J.D./Certificate programs in Dispute Resolution, Law & Business, Law & Government, and International & Comparative Legal Studies. Additional studies include international programs in China, Germany and Ecuador. Generous merit scholarships are available to talented students regardless of residency. Willamette University College of Law is situated at the nerve center for innovative law-making in the Pacific Northwest, the Oregon state capitol complex in Salem. The capitol complex includes Oregon's supreme court and court of appeals, both led by Willamette alumni. Willamette is home to the nationally recognized Center for Dispute Resolution, Oregon Law Commission, and Public Policy Center. Join us in Oregon. Join us at Willamette.
66	Willamette University - School of Education	The Willamette University's MAT program prepares teachers as educational leaders. Our 10-month field-based program is designed to develop reflective professionals who are student-centered, collaborative and sensitive to issues of diversity and culture. It affords students more than 1,000 hours of experience in schools, focuses on leadership and has an ideal calendar for recent college graduates and career changers who do not have a teaching degree.
