Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 5). You won't have any trouble staying busy this year, though staying calm may occasionally be difficult. Luckily, you have natural talent. Your friends will be a big help, too.
 To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) _ Today is a 7 _ You should feel as if a weight has been lifted off your weary shoulders. Take a moment or two to acknowledge yourself for a job well done.
TAURUS (April 20-May 20) _ Today is a 7 _ Guilt is a dandy motivator, but joy is a better one. Sure, you have a lot to finish, but you'll get it done. You can trust yourself.
GEMINI (May 21-June 21) _ Today is a 6 _ It'll be easier to get away, if only for a little while. If you engage in physical activity, you'll end up mentally refreshed.
CANCER (June 22-July 22) _ Today is a 7 _ A person who loves to be obeyed could cause a ruckus now. Keep most of your comments to yourself, and hustle to provide what's required. You'll make points.
LEO (July 23-Aug. 22) _ Today is a 7 _ You might be able to break away for a little while. There aren't many obligations holding you back. But take care of the biggest obligation first.
VIRGO (Aug. 23-Sept. 22) _ Today is a 6 _ Your financial situation may be causing you to feel tense. That's because you're not sure of each dollar and cent. Do the math.
LIBRA (Sept. 23-Oct. 22) _ Today is a 6 _ You welcome a decisive partner's opinion. That doesn't mean you have to follow it, but in this situation, it looks like a good idea.
SCORPIO (Oct. 23-Nov. 21) _ Today is an 8 _ Your workload is increasing, and that can be welcome if what you're doing pays well. There's no reason why it shouldn't. Make absolutely sure it does.
SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 7 _ True love is a wondrous thing. You'll see another example of that within the next day or two. Enjoy!
CAPRICORN (Dec. 22-Jan. 19) _ Today is a 6 _ Don't try to put off a household project any longer. It won't take as long as you feared it would, and afterward you can go out and play.
AQUARIUS (Jan. 20-Feb. 18) _ Today is a 6 _ You need to stick to your old routine and keep the money coming in. You'd much rather be doing something more interesting, but it's a little too soon.
PISCES (Feb. 19-March 20) _ Today is a 7 _ You should be in a pretty good mood about most things because you know you're loved. The work may be rather demanding, but it should pay quite well.
