ODE CLASSIFIEDS

If you've got something to sell, someone to meet, something to find - we can help you out!!!

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 7). Completing a work project this year gives you more time for love... and more time for a whole new set of complications. Get in the habit of solving puzzles, both technical and emotional. You'll develop lots of new skills. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is a 6 _ Time to start getting practical and realistic again. Start making lists of the things you want to buy next. Good shopping days are coming.

TAURUS (April 20-May 20) _ Today is a 7 _ Finish up loose odds and ends. New challenges await. Authority figures are waiting for you to tell them what to do next.

GEMINI (May 21-June 21) _ Today is a 5 _ OK, it's time to start getting serious about your stack of stuff. Or you could ignore it just a while longer and spend the weekend catching up.

CANCER (June 22-July 22) _ Today is an 8 _ Schedule an after-work celebration with some of your dearest friends. You've earned a special treat for yourself just by making it through this week.

LEO (July 23-Aug. 22) _ Today is a 6 _ You're about to go into a more stable, more predictable phase. You want things to be pretty much the way they were... for the next few days, at least. Do something traditional with your family.

VIRGO (Aug. 23-Sept. 22) _ Today is a 7 _ How about getting away for a few days with a loved one who needs some attention? You'll have to postpone a job until Monday, but it'll be easier to do then. Family first.

LIBRA (Sept. 23-Oct. 22) _ Today is a 6 _ Don't assume you know everything about the one you love. That's ridiculous, and it's not nice to be presumptuous.

SCORPIO (Oct. 23-Nov. 21) _ Today is a 9 _ You should be able to rest soon, so set up a date for tonight. Tell your best buddy what's been going on.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 6 _ Indulging yourself in an extra romantic moment might make you tardy for something you were supposed to do at a certain place and time. But information is flowing more freely tomorrow, so don't worry about it.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 7 _ Move stuff around and fix up your place. Add a dash of color, too. You may want to entertain, so make your home more comfortable. In a thrifty manner, of course.

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 6 _ Your forward motion is about to come to a grinding halt. You're far enough into your project now to see what probably won't work.

PISCES (Feb. 19-March 20) _ Today is a 6 _ A person who's far away can help you make a big decision. Don't go racing over there, though. You're needed closer to home.

"That's right, Captain, it's a mutiny. Quite frankly, we're all bloody sick and tired of how you're always sneakin' up on us for a friendly little game of 'Guess who!'"
