Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 10). You and your partner can find a way to make the improvements you're after. You can find the money you'll need if you look for it together. Get used to dealing with petty difficulties and unexpected reversals.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is a 6 _ All this research hasn't been wasted. You're starting to become an expert. Be confident as you begin another series of things that don't quite work. There's a happy ending.

TAURUS (April 20-May 20) _ Today is a 6 _ Conditions are good for increasing your income. Continue to provide good service, and prod a stubborn person as required.

GEMINI (May 21-June 21) _ Today is a 7 _ You've gotten past a lot of the hassles that had been slowing you down. There are still a few more to address, but they're lightweight in comparison.

CANCER (June 22-July 22) _ Today is a 7 _ Dig into that pile of stuff you've been saving up. This process will go faster than usual, which is a real blessing. When you're finished, you'll feel years younger.

LEO (July 23-Aug. 22) _ Today is a 7 _ Resisting authority isn't a great idea now. Better you should be helpful. It's to your own benefit.

VIRGO (Aug. 23-Sept. 22) _ Today is a 7 _ An older person is going to want to know what you've been doing. This is the time to ask for help on an assignment if you need it.

LIBRA (Sept. 23-Oct. 22) _ Today is a 7 _ After you've decided how much you can afford, you might want to buy a special treat just for being so good. Think about it a while longer.

SCORPIO (Oct. 23-Nov. 21) _ Today is a 7 _ A shopping trip seems to be in order, perhaps to replace something broken. Should you buy new or just fix what you have? Either way, be sure to upgrade.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 6 _ If you don't feel up to taking on the entire world right now, relax. Your life should soon be getting easier. Somebody else wants a turn.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 7 _ Working together on a shared project can be a lot of fun. It might also help alleviate a recent cash-flow problem. Get busy!

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 7 _ A difference of opinion could lead to a rather energetic fight. You both have excellent viewpoints to offer. Remember to listen, too.

PISCES (Feb. 19-March 20) _ Today is an 8 _ It's becoming more and more possible to prove there's scientific fact behind things that seemed unexplainable. You might find a way to explain things.
