Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 12). Once you get old business resolved, you can make time to play. You should be able to make enough on the deal to afford a nice trip. Take along a loved one who's been a constant inspiration (and sometimes a burr in your side). To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is a 6 _ Success, finally! And, you might say, not a moment too soon. Don't bask too long in the glory, though. New challenges await.

TAURUS (April 20-May 20) _ Today is a 7 _ As you expand your influence, you'll need to update your skills. Don't worry. This doesn't have to be hard. Follow expert advice.

GEMINI (May 21-June 21) _ Today is a 6 _ Although you'd rather discuss the matter than really get down to work, the time for talk is fast disappearing. Get serious.

CANCER (June 22-July 22) _ Today is a 7 _ You'll notice that the pressure starts to ease and your enthusiasm returns. There's liable to be a new bounce in your step. The more efficient you've been, the sooner it happens.

LEO (July 23-Aug. 22) _ Today is a 6 _ Your friends have been a big help, but soon you'll be on your own. Don't try to get them to do the things you must do yourself.

VIRGO (Aug. 23-Sept. 22) _ Today is a 6 _ Let friends know about some-

thing that's giving you fits at home. One of the can help you find a way around the problem.

LIBRA (Sept. 23-Oct. 22) _ Today is a 6 _ You're always curious, but for the next several weeks you're almost obsessive. You want to get to the truth, and the odds are good that you will.

SCORPIO (Oct. 23-Nov. 21) _ Today is an 8 _ Tomorrow and the next day are good for trying something new. Now is a good time for doing the math to figure out what that new thing will be.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 5 _ It's getting harder to keep what you know to yourself. Play your cards carefully so that you'll be the one who gets to bring home the prize.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 7 _ Something doesn't quite compute, and no amount of pounding is ever going to make it fit. Look around for a better option.

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 7 _ Once you and your sweetheart, or you and your team of friends, decide what you want, that's when the work really begins. That moment is coming soon.

PISCES (Feb. 19-March 20) _ Today is a 7 _ Take on technical problems early, while you're more likely to be in the mood. By later tonight and tomorrow, all you'll want to think about is romance.
