Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Dec. 3). You're so cute this year, you'll attract a lot of attention. You're more than just a pretty face, however. You're also smart, and getting smarter. Take on a technical subject. It'll be fun. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) _ Today is an 8 _ It may require patience, but the outcome looks positive. All you have to do is resist the temptation to break any rules. Others look up to you, so stand proud and set a good example.
TAURUS (April 20-May 20) _ Today is a 7 _ You rarely have to be warned to be cautious, but caution is advised nevertheless. Don't let yourself be stopped, however. Imagine that the universe wants you to be successful, and proceed accordingly.
GEMINI (May 21-June 21) _ Today is a 7 _ Friends and your partner are coming up with all sorts of good ideas, but don't feel as if you have to fund the whole project. You can't afford it. Expansion and travel look good, however. Between you, you'll find a way.
CANCER (June 22-July 22) _ Today is a 6 _ You're advised to be cautious now, but be ready to take quick action. If you can't do something, make it known. Don't make promises you can't keep.
LEO (July 23-Aug. 22) _ Today is an 8 _ Somebody you know well but don't always understand will soon have a brilliant insight. You can help figure out what it means for you both.
