HOLVEY

continued from page 1

"I don't know the answer and I don't claim to have a magic pill for it, but I can sit down with legislators from both sides of the table," he said.

Holvey will fill out the rest of Prozanski's term, which ends in January 2005 and said he plans to run for the position in the May 18 primary election.

"It's all going to shake out with the people," Commissioner Bill Dwyer said. He added that he found

comfort knowing the voters would soon make the final decision on who would represent them.

Mike Bonner, a case manager for the Oregon Department of Justice and one of the other two candidates for the nomination, said he also plans to run for the position in the primaries.

University student Randy Derrick, the third candidate, said he does not plan to run.

Holvey has worked in the construction industry as a carpenter, foreman and project superintendent throughout the Northwest.

He has received an award from the Eugene Human Rights Commission for his achievements in the community, which include serving on the board of the Lane Business Education Compact, a nonprofit organization that seeks to promote a high quality local workforce; and the Siuslaw National Forest Resource Advisory Committee; and coaching kids sports.

"I think Paul Holvey will make be a wonderful representative of the people," Commissioner Peter Sorenson said.
