Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 26). This

year you'll have a passion to learn that may startle some of your friends. You can easily convince them that a new topic is valuable. Study a subject that will put money into your bank account and possibly theirs, too. If they put in the work, that is.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is a 7. You're kicking into high gear and leaving everyone in your dust. There will be a couple of obstacles to go around, but it looks like you win. Have at it!

TAURUS (April 20-May 20) _ Today is a 7. You're coming up with all sorts of radical ideas. Before taking action on them, bounce them off a person who has more experience. Until then, don't mention these ideas to anyone else.

GEMINI (May 21-June 21) _ Today is a 7. Your friends come to your rescue, and not a moment too soon. They fill you full of inspiration and enthusiasm.

CANCER (June 22-July 22) _ Today is a 6. Somebody with an agenda is likely to rub you the wrong way. You may not like that tone of voice, but don't put up too much of a fuss. Don't do extra work for free, either. Just say "no."

LEO (July 23-Aug. 22) _ Today is an 8. By now, you should be ready to expand. You're eager to take new turf. There may be a couple of reasons why you shouldn't act, but they're

inconsequential.

VIRGO (Aug. 23-Sept. 22) _ Today is a 6. Here's the part where your skills as a money-cruncher come in handy. You need to find a way to finance a project you've already begun. No problem, right?

LIBRA (Sept. 23-Oct. 22) _ Today is a 7. A person with strong opinions may take control for a while. This can be just fine, as long as you know it's all being done in your best interests. Delegate.

SCORPIO (Oct. 23-Nov. 21) _ Today is an 8. Time to get back to work. Not only is there a lot of work to be done, but it all has to be done by yesterday. Luckily, that's your specialty.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is an 8. Learn what you can about a fascinating person, just for the fun of it. You're liable to get all enthused again. You just love it when that happens.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 6. Your family may have some pent-up resentment that they'd like to tell you about. Have you spent too much time working lately and not enough time playing with them?

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 7. Don't share everything you're learning just yet. But if you keep digging enthusiastically, you'll get there a lot faster.

PISCES (Feb. 19-March 20) _ Today is a 6. If you're not quite sure what you should do next, put off the decision entirely. An error could be quite
