Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 30). You start out the year as a stick-in-the-mud homebody, but that's OK. You're fixing up your place, and that's an important task. After you've finished, you may have a good reason to entertain - and, of course, you'll have a place to do it. Dig in!
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) _ Today is a 6 _ Take care of business for at least one more day. Then, you can run and play with your friends. Don't waste any time. Minimize distractions and keep on cranking.
TAURUS (April 20-May 20) _ Today is a 9 _ Finish what you've been working on. Give yourself a sense of completion, even if you don't convince everyone. Your voice travels farther than you know.
GEMINI (May 21-June 21) _ Today is a 6 _ You'd be smart to go along with whatever your boss has in mind. That holds true for your teacher or your guru, too. Comply.
CANCER (June 22-July 22) _ Today is a 7 _ You can find a practical solution to just about any problem, although some problems pose more of a challenge than others. Don't give up. You're good at this.
LEO (July 23-Aug. 22) _ Today is a 6 _ Remember to be respectful. Say "sir" or "madam" when appropriate. The person in charge of divvying up the loot will be impressed.

VIRGO (Aug. 23-Sept. 22) _ Today is an 8 _ Drawing up lists and making plans qualifies as a first step toward your goal. Finish an old job as quickly as possible so that you can get to the new stuff.
LIBRA (Sept. 23-Oct. 22) _ Today is a 7 _ Get the raw materials and put them together yourself. You'll wind up with an item more valuable than anything you could have bought.
SCORPIO (Oct. 23-Nov. 21) _ Today is a 7 _ If you're feeling pooped, let the other person drive. Relax and let somebody else take charge. You won't lose a thing.
SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 6 _ Don't talk much about a work in progress. It's not quite ready to be displayed. This isn't the same as being sneaky; it's more like working out the bugs.
CAPRICORN (Dec. 22-Jan. 19) _ Today is an 8 _ Accepting love can be like drinking a tonic; it quiets a fearful mind. So don't second-guess a thoughtful gesture. Allow it to penetrate.
AQUARIUS (Jan. 20-Feb. 18) _ Today is a 6 _ You'll soon be up and at 'em again, but there's no need to push. If you feel like fussing around your place instead of going out, that's OK.
PISCES (Feb. 19-March 20) _ Today is a 7 _ Prepare for a gathering at your place, both physically and mentally. Traditions that you've established will bring stability, love and fun. If you don't have any traditions, make some up.
