Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Feb. 9). Work hard and save as much as you can, with a trip as your reward. In autumn you should have enough set aside for a fabulous rendezvous. If you already know whom you want to be with, get him or her to help. Or, if you go simply to learn, the odds will be good that you'll find a marvelous tutor. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is an 8 _ Get the help of a good evaluator for a big purchasing decision. Don't take the time to do the research yourself. Your talents are needed elsewhere.

TAURUS (April 20-May 20) _ Today is a 7 _ The next few days should be pretty good for creative and artistic jobs. If you take on a tough project and do it well, your status will increase.

GEMINI (May 21-June 21) _ Today is an 8 _ You should be feeling a little better as the day progresses. You intuitively will understand the best course of action to take. Follow a hunch, a well-founded guess, or both. Love is your guide.

CANCER (June 22-July 22) _ Today is a 6 _ Your taste is excellent. In fact, it may be beyond your budget. Luckily you're quite talented. Or at least you will be with a little practice.

LEO (July 23-Aug. 22) _ Today is an 8 _ The next step requires some study on your part, which ought to be fascinating. Your partner is also your guru. Pay attention and you'll learn quickly.

VIRGO (Aug. 23-Sept. 22) _ Today is

a 6 _ Keep doing your best, and be flexible. You'll have to make a lot of changes. You haven't settled into a routine yet, but money should start coming soon.

LIBRA (Sept. 23-Oct. 22) _ Today is an 8 _ After initial trepidations, you should be able to see the path ahead clearly enough to increase your speed and quickly achieve your goal. In other words, watch where you're going, and when you're sure about your direction, kick into overdrive.

SCORPIO (Oct. 23-Nov. 21) _ Today is a 5 _ Gather information from friends and ponder it. After you've mulled it over for a while, you'll see how you can improve your lot.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is an 8 _ A recent test won't keep you down for long. Don't fret if you don't ace it. Sunshine is coming through all those clouds that were over your head.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 5 _ Using your brains and your common sense, you can achieve a goal. This isn't easy, but you have a good opportunity now, so grab it.

AQUARIUS (Jan. 20-Feb. 18) _ Today is an 8 _ You start out working hard, but conditions improve and make things easier. If you build up head of steam, you'll coast a lot farther.

PISCES (Feb. 19-March 20) _ Today is a 6 _ It's time to stop arguing and get down to business. Compromise and pool your resources. You can get something that works well for you both. Respect another person's considerations.

190 VOLUNTEER OPPORTUNITIES

RUBES by Leigh Rubin

Usually adept at explaining away such situations, this would prove to be Pinocchio's greatest challenge.
