**Horoscope by Linda C. Black**

**TODAY'S BIRTHDAY** (Feb. 12). You'll face new challenges and new responsibilities this year. Learn how to be a good follower so that you can be a better leader. You're very imaginative, but being practical is what pays. Combine idealism with pragmatism to score highest.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) \_ Today is a 7 \_ Controversy could erupt when you try to please everyone. If anyone can work out a compromise, it's you. However, it may not be possible this time.

**TAURUS** (April 20-May 20) \_ Today is a 6 \_ Together, you and your partner can get terms that are more to your liking. You don't have anywhere near as much clout on your own. Get a strategist on your side.

**GEMINI** (May 21-June 21) \_ Today is an 8 \_ Your fantasies are glorious, but there are still a few things you have to do before you can get from here to there. Reality can be a hassle sometimes.

**CANCER** (June 22-July 22) \_ Today is a 7 \_ You may not be able to afford everything you want to provide for your loved ones, but don't let that stop you cold. It's a temporary condition.

**LEO** (July 23-Aug. 22) \_ Today is a 7 \_ Your enthusiasm should still be high, but don't let expectations soar. You should know ahead of time that something you try won't work. Fit that into your plans.

**VIRGO** (Aug. 23-Sept. 22) \_ Today is a 6 \_ It's easier to concentrate now, and it's also easier to plan ahead. Unfortunately, you're still handicapped by something that's hard to contain. Just do the best that you can.

**LIBRA** (Sept. 23-Oct. 22) \_ Today is an 8 \_ OK, how will you bring in all the money that you've already figured out how to spend? A strict taskmaster can provide an option that could work for you both.

**SCORPIO** (Oct. 23-Nov. 21) \_ Today is a 7 \_ Your charm and imagination give you a couple of wonderful, and subtle, tools. You won't win by being assertive this time. Try being attractive instead.

**SAGITTARIUS** (Nov. 22-Dec. 21) \_ Today is a 7 \_ Don't rush into anything now, including a conversation. You don't need to tell everybody what you're thinking. Wait till you have it worked out.

**CAPRICORN** (Dec. 22-Jan. 19) \_ Today is a 6 \_ Schedule a meeting with your teammates to discuss recent developments. Something that's too hard to do by yourself is easier when everyone pitches in.

**AQUARIUS** (Jan. 20-Feb. 18) \_ Today is a 6 \_ Don't whine if you get to a difficult place, or others won't let you proceed. You usually get your way when you can prove that you're right. Use this delay to align your data.

**PISCES** (Feb. 19-March 20) \_ Today is a 7 \_ You're eager to get started, but there's a warning light on. Go through your checklist one more time. Remember whatever you've forgotten, then fix whatever's still broken.

**190 OPPORTUNITIES**

**RUBES by Leigh Rubin**

TRUTH BE TOLD, MY DAD HAD LOUSY AIM.

Decades later, a somewhat bitter, yet credible eyewitness debunks the legend of William Tell.
