## Say "Hi!" to a friend.

Place a personal ad in the Emerald.

## Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (Feb. 17).  
 Finances may not be your favorite  
 topic, but how hard can it be to finally  
 become secure enough so that you  
 needn't worry about money any  
 longer? Financial security certainly  
 eases the mind, and it's possible this  
 year - not a gift, but possible.  
 To get the advantage, check the day's  
 rating: 10 is the easiest day, 0 the  
 most challenging.

**Aries** (March 21-April 19) \_ Today is  
 a 7 \_ Support from friends helps you  
 finish a difficult task. If your friends  
 aren't with the program, it's time you  
 found a new gang. They'll welcome  
 you with open arms.

**Taurus** (April 20-May 20) \_ Today is  
 a 7 \_ Try to stay objective so that you  
 can decide which option is most prac-  
 tical. Think about your greatest suc-  
 cess, and don't forget about those you  
 love. You can have both.

**Gemini** (May 21-June 21) \_ Today is  
 a 7 \_ Don't think of your budget as  
 inhibiting. Consider it part of the  
 game. You're not being punished by  
 having to manage your resources  
 well. It's a great advantage to know  
 how.

**Cancer** (June 22-July 22) \_ Today is  
 a 6 \_ Looks like there's somebody  
 nearby who wants to boss you  
 around. Luckily, your ego isn't all tied  
 up in proving that you're right. Let the  
 other guy figure that out.

**Leo** (July 23-Aug. 22) \_ Today is a 7  
 \_ You'd better enjoy what you're  
 doing and not complain about it. Take  
 on as much as you can, because the  
 more you work, the more you'll make.
