## Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (Feb. 18). You'll amaze your friends and family with your marvelous wisdom and wit. However, practice is the foundation for your greatest success. Put your talents to work. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.  
**Aries** (March 21-April 19) Today is an 8. A transformation you've been hoping for can finally be yours. It might mean a change in how you appear to others and yourself. Make sure you're on the path to success, and then full speed ahead!  
**Taurus** (April 20-May 20) Today is a 5. Slow and easy does it. Put a damper on your passions. You can let them loose later on in the week. But for now, it's best if you stifle.  
**Gemini** (May 21-June 21) Today is a 9. You should be able to see the light at the end of the tunnel by now. Overlook your worries and plunge boldly forward. Your success is close at hand.  
**Cancer** (June 22-July 22) Today is a 4. There's a lot to study. You may feel like you don't stand a chance of succeeding at the level you want to achieve. Don't worry about that. Conditions are changing in your favor.  
**Leo** (July 23-Aug. 22) Today is an 8. Don't wait any longer to make your plans. Compromise when necessary. Your partner has plenty of good ideas, so respect his or her opinion.  
**Virgo** (Aug. 23-Sept. 22) Today is a 5. The good news is that conditions are about to change in your favor. The bad news is that you have too much to do now, and there's more coming in all the time. Tough it out.  
**Libra** (Sept. 23-Oct. 22) Today is a 9. You're pretty good at delegating. It's one of your natural talents. You can still take some of the credit if someone to whom you delegated work ends up winning the game.  
**Scorpio** (Oct. 23-Nov. 21) Today is a 5. You don't always remember to let others in on the plans being made inside your head. You're so far advanced, it can seem like a waste of time. It's not. They'll have good ideas.  
**Sagittarius** (Nov. 22-Dec. 21) Today is an 8. All of a sudden your brain is working overtime. You may forget to eat. That's fine. You can make up for it later. For now, learn as much as you can.  
**Capricorn** (Dec. 22-Jan. 19) Today is a 5. Curtail most outside activities for the next couple of days. Go over your bookkeeping and find out exactly what you have and what you don't have. It's good to know.  
**Aquarius** (Jan. 20-Feb. 18) Today is an 8. You're strong, smart and determined, but don't get a swollen head. You provide the stability and the facts. Another makes the breakthrough.  
**Pisces** (Feb. 19-March 20) Today is a 4. Your old worries and traumas may seem more real than whatever's happening now. It's a natural phenomenon, somewhat like being possessed. Thank them for sharing, and snap out of it. Shrug off those worries.

## 190 OPPORTUNITIES

**Possible river guide positions**  
 our spring break guide school is a great first step towards exceptional summer employment. Destination wilderness. (800) 423-8868. www.WildernessTrips.com

## RUBES by Leigh Rubin

Despite his skillful playing, Benny would never truly master the game until he could perfect the art of the poker tail.
