NOW HIRING!
The Oregon Daily Emerald seeks University students to join its staff beginning spring term. The Emerald seeks a city/state politics reporter, a business/science/technology reporter, commentary columnist and a graphic designer.

ALL POSITIONS ARE PAID. Applicants must be enrolled at the University during time of employment. Ideal reporting candidates will be journalism majors who have completed more than just the prerequisites, or individuals with previous newspaper experience. Reporting candidates should possess good interviewing skills, have tight writing and a drive for accuracy, and have the ability to work under deadline. The ideal design candidate will be fluent in Quark, Photoshop, Illustrator and FreeHand. Columnist applicants must be well-versed in opinion writing and have a broad knowledge base.

TO APPLY:
Please submit no more than five clips, a resume and an application to the Emerald by 5pm Friday, Feb. 27. Work samples will not be returned. The Oregon Daily Emerald is an Equal Opportunity Employer, committed to a culturally diverse workplace.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Feb. 25). You'll find that you're developing greater perception this year. You can go far beyond the senses that most others consider normal. Focus your laser-like attention on finding the solid facts behind what some think is fantasy. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
Aries (March 21-April 19) _ Today is a 7 _ An amazing thing is happening. The more you think about others, the more successful you become. What goes around comes around.
Taurus (April 20-May 20) _ Today is a 7 _ You're strong and determined. You're watching out for others, and they're doing the same thing back. If you provide stability, they'll come up with all sorts of crazy ideas. Empower the ideas that will work.
Gemini (May 21-June 21) _ Today is a 6 _ You're usually good at communicating verbally. That's not the only way to get messages across, however. For the next several weeks, you'll get to practice communicating non-verbally.
Cancer (June 22-July 22) _ Today is an 8 _ You may love your work, but there's no reason you have to do it all the time. Schedule a conversation with friends at a favorite place of relaxation. You'll emerge rejuvenated.
Leo (July 23-Aug. 22) _ Today is a 6 _ Be respectful and promise to do what's required, even if you're not sure how you'll go about it. You'll think of something, and you could sure use the cash.

Virgo (Aug. 23-Sept. 22) _ Today is an 8 _ Grab your partner and get out of town as soon as you can. You deserve a change of scenery. If you go along with another person's suggestion, you'll have a fabulous time.
Libra (Sept. 23-Oct. 22) _ Today is a 6 _ For the next few weeks you'll be thinking about little other than work. Your imagination is venturing into new territory. This is good, but be careful not to spend more than you'll make on this project.
Scorpio (Oct. 23-Nov. 21) _ Today is an 8 _ Others respect your stamina and help celebrate your success. Some of them will even help you achieve the goals you've set.
Sagittarius (Nov. 22-Dec. 21) _ Today is a 6 _ All of a sudden there's more work to be done than you thought possible. Do it to pay off an old debt.
Capricorn (Dec. 22-Jan. 19) _ Today is a 9 _ Just when you'd almost given up, the path ahead becomes clear. Your vision for the future looks possible. Full speed ahead!
Aquarius (Jan. 20-Feb. 18) _ Today is a 6 _ You've done enough racing around to last you for a while. Stay close to home for a couple of days in order to replenish your reserves.
Pisces (Feb. 19-March 20) _ Today is an 8 _ You've been known to be easily distracted. That's not a problem for you right now. You're focused like a laser beam. Make the most of these conditions.
