The Oregon Daily Emerald is an independent newspaper that provides hands-on experience in the challenging world of advertising sales. We are looking for motivated students that believe in the power of newspaper advertising and who can transfer that enthusiasm into sales.

Qualified individuals must be enrolled at the UO and have a current driver's license, auto insurance and a reliable automobile. Candidates with two or more years of school remaining before graduation are preferred.

Compensation is a straight commission and bonus system based on individual sales revenue. No reimbursement for automobile use.

Job descriptions and applications are available at Suite 300 EMU or you can contact Melissa Gust, Advertising Director, at 346-3712 for more information.

Applications will be accepted until Friday, March 5 at 5 p.m.

Horoscope by Linda C. Black. TODAY'S BIRTHDAY (March 5). Business travel is much better earlier in the year. After the summer, you're likely to run into complications, and maybe even a change in your objectives. Finish up current plans soon so that you'll be ready for a new opportunity. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. Aries (March 21-April 19) Today is an 8. Even a seemingly tough person like yourself needs some positive strokes. Load up on good energy from a loved one, and then get yourself back to work. Taurus (April 20-May 20) Today is an 8. Finishing up an old project sure feels good, and it's also good for you. Even better, you'll soon be much luckier in love. Gemini (May 21-June 21) Today is a 7. Love is the answer; it's the question that's more difficult to figure out today. It's a good idea to plan ahead if you're going to try something new. Make some of your mistakes on paper. Cancer (June 22-July 22) Today is an 8. Your social life should improve immensely over the next few weeks. Make plans to get together with somebody interesting. You'll learn lots and become better friends. Leo (July 23-Aug. 22) Today is an 8. Your cheerful nature comes shining through, even when you don't say much. That's definitely the best course of action to take now. Listen, learn and love. Virgo (Aug. 23-Sept. 22) Today is an 8. They say that opposites attract, and that might be the truth. But opposites also have lively discussions sometimes, bordering on arguments. Be flexible. Libra (Sept. 23-Oct. 22) Today is a 7. Friends and loved ones will understand if you must excuse yourself. Something that you've promised to do takes priority. Scorpio (Oct. 23-Nov. 21) Today is a 7. A conflict could develop between friends and family, possibly over where you'll spend your free time tonight. All things considered, family wins. Sagittarius (Nov. 22-Dec. 21) Today is a 7. Better start taking care of business. There's a test or a confrontation coming up soon. Don't make any assumptions, and figure out an escape route. Capricorn (Dec. 22-Jan. 19) Today is a 7. Somebody who's been difficult to deal with is about to get nicer. It's most likely somebody else, not you. This is a wonderful thing. Aquarius (Jan. 20-Feb. 18) Today is a 6. Love is the most important power on Earth. Keep that in mind as you start investigating another insurmountable problem. Yes, it does make sense. Pisces (Feb. 19-March 20) Today is a 7. Your job can be drudgery if you don't match it with a dream. If you're looking beyond tomorrow, you'll be more satisfied now.
