TODAY'S BIRTHDAY (March 8). Look at the situation from another point of view this year, and do this as often as necessary. The more people you can include in your plans, the more likely you'll accomplish your goals. An older person who's sometimes disruptive will eventually be helpful.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) _ Today is a 6 _ You may feel as weak as a kitten, but that's OK if you've taken the precaution of first getting close to a snuggly person. Let someone take care of you.

Taurus (April 20-May 20) _ Today is a 7 _ The effort you're putting in may not be much, but the value will really build. Your future can become much more secure if you get involved now.

Gemini (May 21-June 21) _ Today is a 6 _ Some of the others are having fits getting messages across. You can help out, and gain friends and status, just by doing what you do well.
