Gays violate God's canon

In love of my fellow man, I write in the spirit of humility and meekness upon the topic of homosexuality. God's perspective on homosexual relationships has not changed since it was first decreed. In Leviticus 18:22 are the words, "Thou shalt not lie with a man as with a woman: it is abomination."

GUEST COMMENTARY

It is not true that the Bible, in particular the New Testament, does not condemn homosexuality. In Romans chapter 1, Paul asserts, "The wrath of God is revealed from Heaven against all ungodliness" (Romans 1:18). Because of sin, "God gave them up unto vile affections: for even their women did change the natural use into that

which is against nature: And likewise also the men ... burned in their lust toward one another" (Romans 1:26-27). 1 Corinthians states: "Be not deceived: Neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind ... shall inherit the kingdom of God." 1 Timothy says: "The law is not made for righteous man, but for the lawless and disobedient...."

Here follows a list of sinners, including: "them that defile themselves with mankind" (1 Tim. 1:9-10). Jude describes the state of those who come under judgment: "Even as Sodom and Gomorrah ... going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire" (Jude 1:7).

Have what opinion you wish of homosexual marriage, but let there be

no doubt of the doctrine of God. I implore you, do not take my word for it; examine the scriptures for yourself; cease to be ignorant. Make your choice, but let it be your own, not based upon arguments given by others. Read, study, pray, and you shall receive your answer.

Homosexual marriage is not condoned by God no matter how many governments approve of it. That is okay. No one is forced to serve the God of Israel. But as for me and my house, we will serve the Lord (Joshua 24:15). LETTERS

Oh, and some of the dividends you forgot to mention are the soaring debt, which will never be paid by our generation but our grandchildren', three million more people out of work, a jobless economy and almost every promise broken by a man who never intended to keep them — not to invade Social Security, not to use the 9/11 tragedy for political purposes — No Child left Behind (without funding of course), and as a direct result of the war in Iraq, increased terrorism in that country, not to mention the fact that we are less secure now because of the war.

This president has lied to the American public since day one of his administration and in November we are going to ship him back to Crawford, Texas, where he can chop wood all day.
