Horoscope by Linda C. Black

Today's Birthday (April 16). You're
apt to make several interesting spiri-
tual discoveries this year. Go into the
quest with an open mind, and emerge
at a higher level.
To get the advantage, check the day's
rating: 10 is the easiest day, 0 the
most challenging.
Aries (March 21-April 19) _ Today is a
6 _ Quick action is important, but it's
not a good idea if you go racing off in
the wrong direction. Take time to
check.
Taurus (April 20-May 20) _ Today is a
7 _ Anticipate changes and see if you
can use them to your advantage.
Something you're holding could in-
crease in value. Don't let it go too
soon.
Gemini (May 21-June 21) _ Today is a
7 _ A misunderstanding can be
worked out if you talk it over com-
pletely. It's good to get it resolved, so
go ahead and bring up the matter.
Cancer (June 22-July 22) _ Today is a
5 _ Your loyalty is drawing attention
from important people. This is a mixed
blessing, however, since they're liable
to pile on more work. Take care.
Leo (July 23-Aug. 22) _ Today is an 8
_ You're anxious to get going, and
your impatience is only getting worse.
By tomorrow, you won't be able to
hold yourself back. Better get your
money in order.
Virgo (Aug. 23-Sept. 22) _ Today is a
6 _ There are lots of changes going
on, some of which are taking place at
home. Don't be frightened. It's still

possible you can have everything you
want. Or most of it, anyway.
Libra (Sept. 23-Oct. 22) _ Today is an
8 _ A person who's making a lot of
noise may require your assistance. In
this case, you can be the practical
one. Let it be known what's really
required.
Scorpio (Oct. 23-Nov. 21) _ Today is a
6 _ The support you get from loved
ones gives you the courage to carry
on. You can attack a tough project
soon, with a good chance for success.
Your faith also helps.
Sagittarius (Nov. 22-Dec. 21) _ Today
is a 6 _ You're in a situation where it's
impossible to expand. This is enor-
mously frustrating, but it won't last
very long. While you're there, be com-
passionate. You're teaching by exam-
ple.
Capricorn (Dec. 22-Jan. 19) _ Today
is a 6 _ Practice what you preach,
even though it seems as if nobody's
listening. Hold yourself to high stan-
dards anyway. You'll be glad you did.
Aquarius (Jan. 20-Feb. 18) _ Today is a
6 _ Don't launch a new enterprise
or unveil your invention quite yet. Wait
at least one more day. It's much better
for you to do a complete quality check
now and over the weekend. Find the
mistakes first.
Pisces (Feb. 19-March 20) _ Today is a
7 _ An insulting remark from some-
one you admire could hurt you. Don't
make too big a deal of it, though. Just
make sure you're reimbursed.

The Place To Be!

**Special move-in incentives available
at this classy alternative.**
