Horoscope by Linda C. Black

TODAY'S BIRTHDAY (April 20). You're as stubborn this year as anyone could possibly be. Hold out for top dollar, and don't waste it once you get it. You'd hate yourself in the morning.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) _ Today is a 7 _ Don't be alarmed, but there are some important changes taking place. For the next several weeks you'll be more interested in making money.

Taurus (April 20-May 20) _ Today is an 8 _ It may take a while for the news to sink in, but you're getting much luckier. For the next several weeks you'll find that it's easier to get your way.

Gemini (May 21-June 21) _ Today is a 5 _ The consequences of your actions must be faced before you proceed. That simply means tallying up your wins and losses. It's good to keep score.

Cancer (June 22-July 22) _ Today is an 8 _ It never hurts to have strong friends, and you fall into that category for some people. You'll find yourself forgetting past difficulties while in their company.

Leo (July 23-Aug. 22) _ Today is a 6 _ Over the next few days you'll be asked to help others make big decisions. Your wisdom is being acknowledged.

Virgo (Aug. 23-Sept. 22) _ Today is a 7 _ You'll soon find yourself wanting to get away for a change of scenery. The odds are good you'll be able to break away.

Libra (Sept. 23-Oct. 22) _ Today is a 7 _ There's been a lot of excitement over the past few weeks, but now it's time to get back to the paperwork, the bills and the shopping lists. You have some decisions to make.

Scorpio (Oct. 23-Nov. 21) _ Today is a 7 _ You're entering a new phase that will find you in the passenger seat. By encouraging another to make tough decisions, you could get a free ride.

Sagittarius (Nov. 22-Dec. 21) _ Today is a 6 _ A fanciful scheme is likely to bomb. Don't test it quite yet. Input that you get from an expert tomorrow can show you where to make the correction.

Capricorn (Dec. 22-Jan. 19) _ Today is a 7 _ For the next several weeks you should allow yourself more pampering. Don't keep racing off to manage emergencies. Let others do that, starting now.

Aquarius (Jan. 20-Feb. 18) _ Today is a 7 _ Slow down and take it easy. You're just about worn yourself out. You'll want to spend more time at home during the next few weeks, and that's a sensible idea. Don't fight it.

Pisces (Feb. 19-March 20) _ Today is an 8 _ You may get so involved in a new subject that you forget to worry about all the stuff that was on your mind a few days ago. That would be all right.
