Horoscope by Linda C. Black

Today's Birthday (April 27). The
money you put into fixing up your
place is money well spent. If you do
more of the work yourself, your cash
will go much farther.
To get the advantage, check the day's
rating: 10 is the easiest day, 0 the
most challenging.

Aries (March 21-April 19) _ Today is
an 8 _ The worst is over. You're now
surrounded by people who know who
you are. They appreciate your stand.
You can make a lot of progress now.

Taurus (April 20-May 20) _ Today is
a 6 _ Home is one of your very
favorite places to be, so you might as
well get it fixed up. Turn it into the lap
of luxury.

Gemini (May 21-June 21) _ Today is
a 7 _ If you can concentrate, you
might finally get the answer to a
question that's been bugging you for
years. Set your fears aside and do
the research.

Cancer (June 22-July 22) _ Today is
a 6 _ If you've done the work, it's per-
fectly reasonable to ask for whatever
reimbursement you've been prom-
ised. Don't flinch, and you'll get what
you're due.

Leo (July 23-Aug. 22) _ Today is a 7
_ You're growing stronger by the hour,
but there are still rules to obey. Follow
directions and don't let your friends
distract you, or there could be trou-
ble.

Virgo (Aug. 23-Sept. 22) _ Today is a
6 _ Somebody's putting pressure on
you to perform, which can be quite

annoying. The good news is that you
can do very well under these condi-
tions. Break a leg.

Libra (Sept. 23-Oct. 22) _ Today is an
8 _ OK, now you can freely discuss
the matter with your friends. Develop
a plan for future dealings with a
demanding authority. Be creative.

Scorpio (Oct. 23-Nov. 21) _ Today is
a 6 _ A person in a position of
authority may want to ask another
favor or two from you. Make sure
you're fairly compensated.

Sagittarius (Nov. 22-Dec. 21) _
Today is a 7 _ You can't be held down
for long. Your natural enthusiasm is
bound to burst through. Even though
you're facing challenges, you're ready
to try something new.

Capricorn (Dec. 22-Jan. 19) _ Today
is a 7 _ Don't get bogged down with
the small stuff. Look at the big pic-
ture. There are resources you can
tap. Sure, there's a cost, but it's worth
it if you expand your market and your
income.

Aquarius (Jan. 20-Feb. 18) _ Today
is a 6 _ You may not be able to do
the whole job by yourself. Don't even
bother trying. The help of an expert in
another field is preferred.

Pisces (Feb. 19-March 20) _ Today is
a 7 _ There's more work coming in,
and more money if you choose to
accept the responsibility. This looks
like a job you've done before.
Experience makes it easier.
