

A note to our readers

The Oregon Daily Emerald is proud to publish our 4th semi-annual comprehensive guide to Eugene/Springfield area dining establishments. On the following pages you'll find all the information you need to decide where to eat. Restaurant listings are alphabetized within categories of cuisine and include a brief description of their offerings, when they're open, where to find them and a guideline for how much you can expect to pay for a meal. You'll find everything from traditional American eats to Middle Eastern specialties to Vietnamese delicacies and everything in between. Also included are the staples: Burgers, Deli, Pizza, Steak and more.

In addition to the listings, you'll get the scoop on a handful of restaurants from our student restaurant reviewers as they share with you the dining experiences they enjoyed at five local eateries. Thanks again to those restaurants that donated food and festivities for the cause.

Hang on to your Dining Guide and refer to it often!
