Practicing for the GMAT?
You can practice AND get paid for it!
Lunar Logic, a local developer of educational
software, is looking for a
few good potential MBA candidates
to work on improving their GMAT
scores and get paid at the same
time. It will take about five hours of
your time, and we need your results
by noon, Friday, May 7. The money
is good, though, and all you need is
a PC running Windows and a high-speed
internet connection. If you're
interested and have the right stuff,
email testGMAT@lunarlogic.com

Horoscope by Linda C. Black

Today's Birthday (April 30). You don't have to choose between love and money. Focus on love. The money will either come or it won't - there's nothing you can do about it. And by the way, if you work, you'll have plenty. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) _ Today is a 6 _ You're under a lot of pressure to do a good job. Don't try out a new method or procedure quite yet. It still has bugs.

Taurus (April 20-May 20) _ Today is a 7 _ Your heart is in the right place, but money may still be a bit tight, perhaps by your own choice. Don't quarrel about what you can buy and when you can buy it. Set priorities.

Gemini (May 21-June 21) _ Today is a 6 _ The patience mentioned yesterday may be wearing a little thin. If you can talk somebody else into doing a messy job for you, hurrah. It's worth a try, anyway.

Cancer (June 22-July 22) _ Today is a 7 _ You're developing a strong support group, and that's important. You inspire them, and they teach you things that help you achieve your goals.

Leo (July 23-Aug. 22) _ Today is a 5 _ You could be getting tired by now, but the toughest part should be over. You can start to relax. Simply do what you promised and watch the abundance pour in.

Virgo (Aug. 23-Sept. 22) _ Today is an 8 _ A person who's trying to push you around is in for a big surprise. You can afford to be gracious, but don't be lazy. Move ahead quickly.

Libra (Sept. 23-Oct. 22) _ Today is a 6 _ Unfortunately, you'll have to choose what you can have and what you must make do without. You hate making decisions like this. Maybe you could just make more money instead.

Scorpio (Oct. 23-Nov. 21) _ Today is an 8 _ Your enthusiasm is getting more robust, but be careful not to spend more than you can afford. Be generous, not wasteful.

Sagittarius (Nov. 22-Dec. 21) _ Today is a 5 _ Don't say the first thing that pops into your mind, and advise your partner to show similar restraint. It's not a good time for either of you to make a bold move unless you want to spark a confrontation.

Capricorn (Dec. 22-Jan. 19) _ Today is an 8 _ Finish a big job before you go out and play with new friends. Don't talk much about what you're up to, and save long-distance travel for Sunday.

Aquarius (Jan. 20-Feb. 18) _ Today is a 5 _ You may have to tell your sweetheart, your child or both that you can't buy them goodies right now. Fix up your place first.

Pisces (Feb. 19-March 20) _ Today is an 8 _ A respected coach may advise you to stop fussing over a whiner. It's OK for you to say "no" every once in a while.

The Place To Be!
