NCAA

continued from page 7

The top eight finishers in the NCAA regionals receive bids to the NCAA Championships.

The Ducks were close.

Oregon lost on the first hole of a playoff at the 6,159-yard, par-72 Stanford Golf Course in Stanford, Calif.

Texas played the only hole in the playoff at 2-under, Washington State finished at even and Oregon finished at 1-over par.

The tie for eighth represented Oregon's best showing at the NCAA Regionals since the Ducks' seventh place finish in 2000.

Nealy, who is gaining a reputation as a big-time player in big-time events, was the highest finisher for the Ducks. Nealy carded a final round 74, which included five bogeys and three birdies; however, none of these was more important than her final birdie of the day, coming on the 144-yard, par-3 eighth hole. Nealy finished the tournament at an 8-over 224, good for a tie for 25th.

Sophomore Therese Wenslow also shot a 74 on the final day and finished the tournament with a 74-79-74-227, good for a tie for 38th. Fellow sophomore Erin Andrews, who had struggled since her seventh place finish at the Duck Invitational in early March, fired an opening round 74 and seemed to be turning her game around.

"We are ready to play nationals. It's a long season and you have this goal at the end in your mind from the beginning and this is what you practice for, what you are playing for and it's nice to be going next week."

Carrie Forsyth
UCLA head coach

Andrews could not maintain her momentum in the final two rounds,

firing a 78 and 80, respectively, to finish at 232, tied for 51st. Sophomore Michelle Timpani closed with a 77 and finished with a 79-74-77-230, good for a tie for 47th. Freshman Kimberly McCready struggled for most of the tournament, finishing tied for 96th with a 245.

As a team, second-ranked and tournament favorite UCLA cruised to a easy victory, finishing seven strokes ahead of No. 3 California at 861. The Bruins jumped out early and were never challenged during any of the three rounds of play.

"We are ready to play nationals," UCLA head coach Carrie Forsyth said. "It's a long season and you have this goal at the end in your mind from the beginning and this is what you practice for, what you are playing for and it's nice to be going next week. We are ready and peaking at the right time." UCLA's Hannah Jun won the tournament with a 7-under 209.

Third-ranked California finished behind UCLA for the second straight tournament.

"It's relieving (to advance), but we took another approach at looking at this region," California head coach

Nancy McDaniel said. "We went about it looking at it like we really want to compete against the top teams. We haven't been able to stay with UCLA as much we liked, but they have made us a better team and playing with UCLA this week has really helped us."

The best round of the tournament was delivered by Washington's Paige Mackenzie, whose 67 in the final round helped Washington end its free-fall in the standings and secured a spot in the championships for the Huskies.

"I'm really proud of Paige," Washington head coach Mary Lou Mulflur said. "She has really worked hard to come back from injury. A year ago, we didn't even know if she would be playing again. Her performance was really awesome."

The rest of the top eight that will advance to the NCAA Championships, set to be held May 18-21 in Auburn, Ala., include Stanford, Georgia, Ohio State, Arizona State and Texas.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 10). Make it a habit to do the homework this year. If you figure out what's required and then provide it before it's requested, you'll score big. This game pays off in cold, hard cash, and you should be good at it. Authority figures are giving you clues. Pay attention and reap the rewards.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
Aries (March 21-April 19) Today is a 7. You can access information that's not available to others. It would be nice of you to keep them in the loop. That makes it easier for them to assist you, which is a wonderful fringe benefit. Let them know.
Taurus (April 20-May 20) Today is a 7. Apply for the promotion or ask for the raise if you've earned it. Apply for the better job if you want it. Success doesn't happen overnight. It happens slowly, one step at a time.
Gemini (May 21-June 21) Today is a 7. Travel, meetings and parties are enticing but also distracting. What about all the stuff you said you'd take care of? The stuff that pays the bills? Don't let it slide.
Cancer (June 22-July 22) Today is a 7. A person you respect but don't always like could give you an excellent tip. Let it be known what you're after, and let yourself be led to the perfect thing.
Leo (July 23-Aug. 22) Today is a 7. You have strong opinions, and you're usually right, but it never hurts to take other people's opinions into consideration. That will make you look even more magnanimous.
Virgo (Aug. 23-Sept. 22) Today is a 7. You should be into full work mode by now. Creativity and imagi-

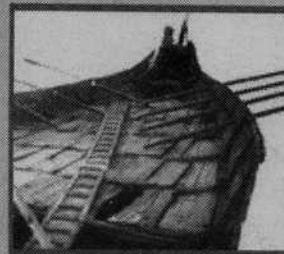

nation are required. If you can get the system to work properly, your reward will be more free time. It's OK if nobody knows but you.
Libra (Sept. 23-Oct. 22) Today is a 6. True love is when you're with a person who brings out the best in you, and vice versa. You need help with the technical data. You're better at the abstract ideas. Talk it over and make sure you're on the same wavelength.
Scorpio (Oct. 23-Nov. 21) Today is a 6. The solution is so obvious, you'll wonder why it took so long to find. It's because you have to look in an unexpected place. Since you love puzzles, this should be fun.
Sagittarius (Nov. 22-Dec. 21) Today is a 7. You've got a great idea brewing, but it isn't quite ready. You're still finding out what aspects won't work, and taking what will work on faith. Your intuition is good, but don't ignore reality. Start out small.
Capricorn (Dec. 22-Jan. 19) Today is a 7. Something that looked too good to be true might actually show a profit. Proceed with caution and trust your intuition. There is something to the old adage, though: Do what you love and the money will follow.
Aquarius (Jan. 20-Feb. 18) Today is a 7. You'll find what you're looking for if you keep studying. There are many barriers, but if you come up with something that works better, they'll beat a path to your door.
Pisces (Feb. 19-March 20) Today is a 7. "The Lord will provide." That's what Grandpa said, and he was usually right. If some of what you're imagining doesn't make sense yet, wait and see. You may get the next installment later. Keep listening.
