"I felt will extend their seasons with the NCAA Individuals in Athens, Ga., beginning May 24.

Men's season comes to a close

The Oregon men came away scratched and torn from their trip to Oxford, Miss.

Twenty-second ranked Vanderbilt was just good enough to knock off the Ducks, 4-3, ending Oregon's season.

The Commodores took the doubles point to start off Saturday. They then proceeded to win all three full matches. Oregon earned the three points via suspended sets: Vanderbilt had already won the match, and even though Sven Swinnen (7-5, 1-4) and Manuel Kost (6-4,

5-2) were essentially in control, they were not allowed to finish.

Arron Spencer was also in play at the time of the suspension, but was down to Vanderbilt's Lewis Smith, 6-4, 4-3.

"Vanderbilt is a good team," Oregon head coach Chris Russell said. "I felt we played well enough to compete, but just didn't have the firepower to pull ahead. I really think that was a positive experience for our players and with only one senior leaving, it will give us solid momentum leading into next year."

The Ducks finished the season 9-11. Swinnen is set to head to the NCAA Individual Championships, beginning May 26 in Tulsa, Okla. Kost may also attend but is currently an alternate.

SPORTS BRIEF

Clemens denied for eighth win

HOUSTON — Mike Piazza entered the clubhouse as a replay of his two-out, two-strike homer in the ninth inning flashed on a television overhead. "Shock and awe, baby," Tom Glavine shouted in a jubilant room.

With the Mets one strike from becoming Roger Clemens' eighth victim in eight starts since joining the Astros, Piazza ripped a two-run homer to right-center off closer Octavio Dotel. The Mets won, 3-2, in 13 innings when Jason Phillips went deep against Brandon Backe.

"Any time you've got the closer out there, any time you get out of the alligator's jaw or whatever you want to call it, it's a great feeling," Piazza said after spoiling the Rocket's bid to become the first pitcher since Pedro Martinez in 1997 to win his first eight starts of the season.

Phillips called it the most emotional Mets homer since Piazza's blast at Shea off Steve Karsay in the first game back after Sept. 11. Piazza called that hyperbole — "it sounds like he's a little excited," he said — but the long ball cemented a confidence-building, 5-4

road trip. After dropping two games in Arizona, the Mets (18-20) won four of five while facing a fearsome fivesome: Randy Johnson, Brandon Webb, Roy Oswalt, Andy Pettitte and Clemens.

"I'm just real proud of the guys. Everybody wrote us off after the start of the trip," said Art Howe, who watched the dramatics from various rooms in the clubhouse after being ejected in the sixth inning.

Whether Piazza should have been in position to tie it was debatable. With Eric Valent on second and two out, Astros manager Jimmy Williams went to the mound to discuss walking Piazza to pitch to Todd Zeile. Dotel wanted to face Piazza and Williams agreed. "He's the tying run, not the winning run," the manager said of the ill-fated decision.

The ageless Clemens, who lowered his ERA to 1.72, blanked the Mets for seven innings, striking out 10 and allowing only two hits. The first came on pitcher Matt Ginter's liner to right in the third in his first major-league at-bat. "I closed my eyes and swung," Ginter said. The other came on Zeile's infield single four innings later.

Horoscope by Linda C. Black

Today's Birthday (May 17). From your position of authority, you can see what's going on. Guide the others gently this year, especially the ones who sign your checks. True, you're smarter and much more sensible than they are, but you don't have to make lots of noise. In fact, that would blow your cover, wouldn't it? Smile as you rake in the bucks.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
Aries (March 21-April 19) _ Today is a 5 _ Perseverance is a virtue you should develop. You're a natural sprinter, but now, prove you're a good long-distance runner. It's not that much farther, actually, but keep at it until you're finished.
Taurus (April 20-May 20) _ Today is a 9 _ You're strong, and wise, and you're going in the right direction now. You're loved, and things should settle into a nice routine. Make choices that will make you happy for a long time.
Gemini (May 21-June 21) _ Today is a 6 _ The weight of the world is on your shoulders. Or is it all inside your head? Either way, concentrate. The more tasks you complete, the lighter you'll feel.
Cancer (June 22-July 22) _ Today is an 8 _ Meetings should go well, especially when financial subjects are being discussed. Stick with what you have. It's not a good time to expand. And it won't be a good time for several months.
Leo (July 23-Aug. 22) _ Today is a 5 _ You may worry that you're in too deep, that you can't cope with this much responsibility. It's temporary. You'll get over it as soon as you see the fat paycheck that goes with this assignment. Grow into it.
Virgo (Aug. 23-Sept. 22) _ Today is

a 9 _ Distant horizons beckon, and nothing else seems to matter. Put your worries on hold for a while and at least let your imagination wander. Odds are good you can get away, and that would be sweet.
Libra (Sept. 23-Oct. 22) _ Today is a 5 _ Put dreams on hold and concentrate on paying bills. If you give it your full attention, it won't take long. Then, do cost estimates and projections just for the fun of it. The next few days are good for math.
Scorpio (Oct. 23-Nov. 21) _ Today is an 8 _ Settle down for a while and make do with what you have. Leave your savings in the bank. All you need is a little elbow grease. Maybe not much of that, either. Your imagination is your best tool.
Sagittarius (Nov. 22-Dec. 21) _ Today is a 4 _ You're inundated with work for the next few days, so get used to it. There's no point complaining. You've brought it on yourself. You're not doing this for the money, so you might as well do it for love.
Capricorn (Dec. 22-Jan. 19) _ Today is a 10 _ There's so much love in the air right now, it's hard to see anything else. Go ahead and make the commitment. If you already have, make it again. Let yourself be swept away.
Aquarius (Jan. 20-Feb. 18) _ Today is a 5 _ Stability is very important to you and your family. Whatever you do to your personal space, make sure it's built to last. That goes for the things you buy, too.
Pisces (Feb. 19-March 20) _ Today is a 9 _ Let your thoughts about household changes simmer on the back burner. You still have a lot of details to think about. Meanwhile, continue to study a fascinating subject. This information will prove useful later, in a myriad of ways.
