with Stiegeler for three years. Last year, John and I competed with each other every practice. That's something I did miss a lot for the first half of the year. I just changed the way I train this year and I kind of like just having (throws coach) Lance Deal and Sarah there most of the time. It's a good change."

Despite Stiegeler's absence, Jenkins hasn't been without challenges this year.

"I can kick his butt at throwing arrows and he hates that," Malone said of a training technique that javelin throwers use. "We hadn't thrown them since we were in college, so we went and bought a few and came out and threw them and I crushed him. He was so pissed that he had even taken the time to buy them. He swore up and down that he did it in high school, but he's yet to prove it. It's gotten to the point that he

won't even throw them anymore. He won't even compete against me because he doesn't like to lose."

With the regional qualifier approaching, Deal said he has plenty of confidence in Jenkins' ability to make the NCAA's.

"Adam is a real student of the event," Deal said. "He made up his mind early in the season that he was going to be successful."

The following day, the Ducks sent both host Cal State Fullerton and Oklahoma State packing, creating the title match of Oregon against the lone undefeated team, Louisiana-Lafayette.

After a 9-2 Duck victory against Louisiana, the two one-loss teams had a 30-minute break before they faced each other again — with a berth to the Women's College World Series on the line.

Oregon lost the game, 6-4, but the players who returned from last season's squad are determined that something similar won't happen again.

"Our ultimate goal is the world series," Harris said. "We have a really positive attitude about the whole thing. We're confident that we can get there."

The easy road through Tallahassee is four wins and no losses, while the rougher path is five wins and one loss. Either way, four more wins than losses is what a team is looking for in the bracket.

The winner of today's game will play the winner of the South Florida-Ohio State matchup at 9:30 a.m. Friday. The losers of both first round games will play each other at 5 p.m. today.

"I think we're about to go on a roll," Arendsen said. "I think that we're going to be an incredibly dangerous club coming in there."

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 20). You're quick and practical this year, but learning to play by the rules isn't your favorite thing to do. Be patient. You'll learn by doing, and sometimes that means you'll lose what you wanted to keep. It's a hard way to acquire knowledge, but it's guaranteed that you'll never forget. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) _ Today is an 8 _ Your luck is changing for the better. You'll find it easier to learn over the next several weeks. It's up to you to pick the subject to study or practice. It should be something to do with home improvements.

Taurus (April 20-May 20) _ Today is a 7 _ For the next few weeks you'll have a lot of chances to make money. Figure out how, but don't close the door on new opportunities. This is no time for napping. You snooze, you lose.

Gemini (May 21-June 21) _ Today is an 8 _ Is something bugging you? Is there something you feel guilty about? Face it now or continue to be tormented.

Cancer (June 22-July 22) _ Today is a 6 _ This is a good time to clean out your closets and get rid of stuff you don't need. Make lists of things you want to accomplish in the coming month. Clear space so that you'll have a place where you can work.

Leo (July 23-Aug. 22) _ Today is a 7 _ Wear your best outfit and continue to stand up straight. This is an excellent day to make profits, good impressions and friends, though not necessarily in that order.

Virgo (Aug. 23-Sept. 22) _ Today is a 7 _ You've been a decision maker for ages, but you have a tendency to let others take the credit. During the

next few weeks you'll be tested. You can produce results on your own, but can you accept the applause? Answer: You'll get used to it.

Libra (Sept. 23-Oct. 22) _ Today is an 8 _ Put the finishing touches on your plans. Prepare to venture into unfamiliar territory. It's exciting, but it can be frightening, too. A thin line separates those two emotions. Be brave. Ventures begun now end well.

Scorpio (Oct. 23-Nov. 21) _ Today is a 6 _ For the next several weeks you'll find it somewhat easier to deal with financial matters. You have the patience already, but now you'll also acquire the skills. You can turn a little into a lot.

Sagittarius (Nov. 22-Dec. 21) _ Today is a 7 _ Conditions around you have changed again, and this time they've changed in your favor. You'll be able to rely more on others during the next several weeks.

Capricorn (Dec. 22-Jan. 19) _ Today is a 7 _ You've never understood the kind of love that's all frills and lace. You're more the type for work gloves and boots, and getting dirt in your hair. This isn't a bad thing if you're with the right person. In fact, it's wonderful.

Aquarius (Jan. 20-Feb. 18) _ Today is an 8 _ It's as if you're coming out into the sunshine after a long hibernation. You've made some big decisions. Now, celebrate what you've accomplished and forget about what you didn't.

Pisces (Feb. 19-March 20) _ Today is a 7 _ You're going from the research phase to the application phase. You'll get a chance to put a lot of your favorite ideas into practice. They won't all work, of course, but don't let that inhibit you.
