RUBES by Leigh Rubin

Bad: Being stranded in the middle of nowhere.
Worse: Being stranded in the middle of nowhere with your boss.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 21). A partner may think you don't know what you're talking about, which may be true. Your message is a hard one to explain, and it might take a while. Patience is a virtue that you have to acquire, and you'll get lots of practice. You can also earn a lot of money, so don't worry. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) _ Today is a 6 _ At first, the job ahead of you looks daunting. You only have a clue or two about how to proceed. The desire to improve can be your basic motivation. Focus on that, and everything will soon fall into place.

Taurus (April 20-May 20) _ Today is a 6 _ The money could come pouring in. If it does, catch it in something big enough to give you a generous supply. Use some of that cash to further your own education. It's time for you to start learning a new game.

Gemini (May 21-June 21) _ Today is a 7 _ You're a charming person, no doubt about that. You could talk a skunk out of his stripe. Today, however, it's smarter to listen. You might be pleasantly surprised.

Cancer (June 22-July 22) _ Today is a 6 _ One of your fears proves to be well founded, and another one disappears. Someone you thought would be a problem backs down after you show your strength. Stand up for yourself.

Leo (July 23-Aug. 22) _ Today is an 8 _ Amazingly, conditions are changing again. The difficult hurdles you've bravely faced are mostly behind you now. The next assignment is to have lots of fun while building a winning team. You're a natural.

Virgo (Aug. 23-Sept. 22) _ Today is an 8 _ First, prove you're a good follower. Then you'll naturally become a better leader. It's all part of that "chain of command" thing. You're working your way up.

Libra (Sept. 23-Oct. 22) _ Today is a 9 _ Let your imagination lead you higher and higher. You may not achieve everything you're after, but it never hurts to try. Odds are good you'll end up with more respect and authority than you had before.

Scorpio (Oct. 23-Nov. 21) _ Today is a 7 _ The trick is to get wealthy using other people's money. If you do this ethically, they'll get wealthy, too. Nothing wrong with that. What goes around comes around.

Sagittarius (Nov. 22-Dec. 21) _ Today is a 7 _ Who's your partner? Is being your partner the same as being your friend or lover? Is it your mate? Your accountant? Your dietitian? Don't worry any more about it. You have many.

Capricorn (Dec. 22-Jan. 19) _ Today is a 6 _ The more you do, the more you notice how much more there is to be done. The good thing is, you're providing a service that's in demand. From this, you can build security.

Aquarius (Jan. 20-Feb. 18) _ Today is an 8 _ If you choose a partner who's also a good workmate, you'll become an unbeatable combination. Get someone who's determined and creative, and who lives by strict rules (ones you share would be best).

Pisces (Feb. 19-March 20) _ Today is a 6 _ Get your place fixed up so that if you want to entertain spontaneously, you can. You might have lots of friends over, but one would be plenty.
