University. The calendar will cost \$5,248 and have a Web site to complement it.

In a second special request, Club Sports Director Sandy Vaughn asked for ASUO to use incidental fees to cover the cost of van damage. The Senate voted 14-2 to postpone the discussion of the request until the fall.

The Senate voted 15-1 to approve a \$100 food request from the Pre-Dental Club for a spring reception and passed a \$29 food request by the Pre-Health Society for a spring reception.

The Energy Team presented the Campus Wind Campaign — a plan advocating wind-powered electricity in the EMU — which will be shown to the EMU Board in the fall.

The Senate took nominations for summer president and vice president positions; elections will be held at next week's meeting.

Park on the first Thursday of each month.

Associate history Professor Laura Fair, who helped set up the coffins and read names of casualties, said she thinks about children who have lost their lives during the war.

"I think the impact will hopefully be that people can have a visual image of what's going on. ... When you're all the way over here in the U.S., it's kind of hard to understand how many people are dying."

The Viewing Project assistant

"I think this will ... bring it home and put it in people's minds and people's hearts that they're not faceless names," she said.

Senior Jackie Prange, who helped set up the display, said the project counters government censorship.

"I think the impact will hopefully be that people can have a visual image of what's going on," she said. "When you're all the way over here in the U.S., it's kind of hard to understand how many people are dying."

She said she is "pretty dissatisfied" with activism at the University regarding the war.

"I'm surprised there's been so much silence about what's going on," she said.

Many students paused to look at the

project. Junior Ben Ramirez said he was saddened by the display.

"I think it really helps us to gain perspective on the reality of what happens in war," he said.

Sophomore Colleen O'Malley called the project a powerful reminder of the number of people who have been killed.

"I think there are a lot of people talking and opinions being thrown around by both sides (about the war)," she said. "Not enough people know

what's going on."

Freshman Jenni Buczko agreed.

"I think it will definitely make an impact," she said. "It will be a reality check as to how many (deaths) there are. (The war) may be thousands of miles away, but it definitely affects us."

Organizers hope to take the projects to Portland on Sept. 2.

Horoscope by Linda C. Black

Today's Birthday (May 27). You probably have more of everything than is required. The good news is that you can turn some of this into cold, hard cash if you want. Gemini is the sign of the salesperson. And this year, with structure and confidence, you can top all previous records.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) _ Today is a 6 _ You're stirring things up, and that's adding to all the confusion out there, but it isn't your fault. You have to make changes in order to build something. Some of those changes work well, and some of them don't.

Taurus (April 20-May 20) _ Today is a 7 _ Love is the answer. So what was the question? It really doesn't matter. Cuddle up with somebody special and celebrate what you have.

Gemini (May 21-June 21) _ Today is a 5 _ How long has it been since you've counted your blessings? A recount may be way past due. It looks like you have a lot more than you thought, even though you don't have all you want.

Cancer (June 22-July 22) _ Today is a 7 _ You can get a lot done in one day of concentrated errand-running. You have to set your priorities first, and it won't hurt to preplan your route.

Leo (July 23-Aug. 22) _ Today is a 7 _ Work a little wiggly room into your bid, but not too much. A thrifty person would like to feel generous when your negotiation is done. And, of course, you want to feel like you got a good price. You can both win.

Virgo (Aug. 23-Sept. 22) _ Today is a 7 _ You're stronger now, and more confident. You can stand up for yourself much more eloquently than you could just a couple of weeks ago. You might have to if you're asked to do too much. Be as nice about it as possible.

Libra (Sept. 23-Oct. 22) _ Today is an 8 _ It's not a good day to travel. If you need something from far away, have it delivered. But a note of caution: Something that looks good in the catalog won't be as nice in real life. You might want to wait on that.

Scorpio (Oct. 23-Nov. 21) _ Today is a 7 _ Put together a practical strategy using other people's talents and skills. One can do this, another does that, and the whole team emerges triumphant. If you cut costs, too, everybody benefits — especially you.

Sagittarius (Nov. 22-Dec. 21) _ Today is a 6 _ Keep the channels of communication open for a while. A misunderstanding could cause feelings to be hurt, and that's such a waste of time. Be patient and attentive, even if you have a job to do.

Capricorn (Dec. 22-Jan. 19) _ Today is an 8 _ Travel is favored now, but if romance is involved, better take some precautions. There's an indicator that all won't go as smoothly as planned. Leave yourself an escape route.

Aquarius (Jan. 20-Feb. 18) _ Today is a 6 _ Financial instability causes delays, but don't let it stop you cold. If you can't do something now, schedule it for later. Set up a special trip with loved ones over the weekend just for the fun of it.

Pisces (Feb. 19-March 20) _ Today is a 6 _ Let an expert evaluate your work and tell you what needs fixing. You should be pleasantly surprised, as you've probably done a good job. If there's anything that does need changing, this is the perfect time to do it.
