Horoscope by Linda C. Black

Today's Birthday (May 28). Once you get your place fixed up, you'll be ready to entertain. Since that's one of your favorite things to do, you don't lack motivation. Money may be a little tight, since you have such excellent taste. But you're also quite creative. Make whatever you can't afford to buy.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
Aries (March 21-April 19) _ Today is a 6 _ The job may seem overwhelming, but it's not. It will shrink if you look at it from a higher perspective. Focus on the big picture.
Taurus (April 20-May 20) _ Today is a 7 _ A person you care deeply about is facing a tough decision. You can help find the perfect solution. Stop waiting and get involved.
Gemini (May 21-June 21) _ Today is a 5 _ A disappointment may be nothing more than a way to get your attention. Put new policies into practice now instead of waiting until later.
Cancer (June 22-July 22) _ Today is a 7 _ Something you're after simply can't be found, and that's all there is to it. You can substitute something or have a snit fit _ the choice is up to you. The former is recommended.
Leo (July 23-Aug. 22) _ Today is a 6 _ Don't feel as if you have to treat the gang to a round of drinks to celebrate your victory. If you want to have anything left by tomorrow, better to stash the cash away and not mention it to anybody.
Virgo (Aug. 23-Sept. 22) _ Today is an 8 _ You know that a person who's being hard on you actually likes you very much. He or she is just coaching you so that you can

move up to the next level, so be respectful. No nasty comments.
Libra (Sept. 23-Oct. 22) _ Today is a 7 _ Complications continue to arise. You may want to run from all the responsibilities that weigh on you. That might be fun, but it would alarm the others. It's best to keep those thoughts private.
Scorpio (Oct. 23-Nov. 21) _ Today is a 7 _ Sharpen your pencil and keep cutting costs. This might mean that major revisions will have to be included in your plan, and major fluff cut out. You'll end up with a better product, agenda or living room decor. Keep it simple.
Sagittarius (Nov. 22-Dec. 21) _ Today is a 5 _ One door closes and another opens. It's amazing how that happens. Don't take "no" for a final answer, even if stated emphatically. Try again tomorrow, and you'll find a way around the problem.
Capricorn (Dec. 22-Jan. 19) _ Today is an 8 _ If you race off and forget to do something that you promised, there'll be all sorts of confusion left in your wake. Think again. Is somebody waiting for something that you have yet to deliver?
Aquarius (Jan. 20-Feb. 18) _ Today is a 7 _ Deferring gratification is good exercise. You learn how to set those long-term goals that ensure you'll be a success. It leads to strength of character, a most important tool. Explain this to a younger person who's having a hard time.
Pisces (Feb. 19-March 20) _ Today is a 7 _ Something you liked may have to undergo revision. Don't get too attached. You'll do it better the next time. It gets easier with practice.
