Horoscope by Linda C. Black

Today's Birthday (June 2).
Discipline and hard work may not sound very appealing, but you'd be wise to embrace those concepts. You'll not only learn, but you'll also prosper. And you could get healthier, too.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) _ Today is a 7 _ The more you save now, the more you'll get to spend later. This weekend would be good for a business trip. Even if it's for a good reason and could enhance your income, you still need money to get there. Put some aside for that.

Taurus (April 20-May 20) _ Today is a 5 _ Confer with a partner who's good at planning, and figure out what to do next. There's quite a bit of money involved, so be sure to get the best deal. You might want to wait until tomorrow to actually go out shopping.

Gemini (May 21-June 21) _ Today is a 7 _ A conflict you have with a partner will soon be resolved. First, finish what you're doing, then give it your full attention.

Cancer (June 22-July 22) _ Today is a 7 _ A commitment you recently made leads to your next big project. When you and your partner are working together, anything is possible. Well, just about anything.

Leo (July 23-Aug. 22) _ Today is a 7 _ The hard part is almost over. Once you get settled in, you'll be able to entertain. If you face something you've been avoiding, you can entertain much sooner. You can do it _ you're tough.

Virgo (Aug. 23-Sept. 22) _ Today is a 6 _ Get your priorities straight.

Things could start moving fast. Get out your map, and round up the supplies and allies you'll need. Don't take on a major renovation by yourself. Get teammates who know what they're doing.

Libra (Sept. 23-Oct. 22) _ Today is a 7 _ Follow through with commitments you've made, or have long intended to make. It usually isn't easy for you to make decisions, but this time the answer you should choose is obvious. Protect your own interests.

Scorpio (Oct. 23-Nov. 21) _ Today is a 6 _ Once you've worked out a compromise, you can get to the financial part of the deal. Nobody said this was gonna be easy, but it's not impossible.

Sagittarius (Nov. 22-Dec. 21) _ Today is a 7 _ Communication isn't a challenge, it's a miracle. You'll realize this if you're trying to convince people who've already made up their minds. Here's a hint that might help: Showing is better than telling.

Capricorn (Dec. 22-Jan. 19) _ Today is a 7 _ Make your decision and don't let yourself be engulfed by buyer's remorse. If you're not sure, the decision should simply be "no." It's as easy as that.

Aquarius (Jan. 20-Feb. 18) _ Today is a 6 _ Just do as you're told for a little while, and the spotlight will turn elsewhere. Once that happens, you and your friends can relax and enjoy yourselves.

Pisces (Feb. 19-March 20) _ Today is a 7 _ You can accept new responsibilities. Opportunities abound. Dispel any fears that you might not be able to handle the stress.

Instead, believe that you can.
