bar at 16 feet, but it felt close, so maybe at Trials," said Dragila, who won the event at 15-5.

In other notable event victories, Maria Mutola won the 800 meters for her 12th straight win at Hayward Field with a time of 1:57.78. Mutola, a former Springfield resident who now lives in South Africa, set the second best time in the world this year.

SPORTS BRIEF

Emeralds lose home opener

Opening night for the 2004 season did not go as planned for the Eugene Emeralds.

Behind a three-run second inning that included two home runs, the Tri-City Dust Devils shut out the Emeralds 5-0 in front of 5,233 at Civic Stadium.

First baseman Joe Koshansky and shortstop Pedro Strop hit two solo home runs for Tri-City in the second inning. Two batters later, catcher Luke Sargent added an RBI single to give the Dust Devils the lead for good.

Tri-City would add another run in the ninth inning off an RBI single by leadoff hitter Brett Spivey.

Eugene's best scoring threat came in the first inning after the first three batters reached base on an error and two walks. However, the Emeralds' number three, four and five hitters all struck out to end the inning.

Eugene mustered only four singles the rest of the way with no extra base hits.

Tri-City starter Steven Thomas won his first game of the year to move the Dust Devils (2-2) to second place in the Northwest League East Division.

The Emeralds (1-3) dropped to last place in the West Division and have lost three straight games after winning the season opener against Salem-Keizer 4-2 in 12 innings.

Emeralds manager Roy Howell said his young players need to be ready every game with the season just underway.

"Any college kid has to come out here and prove to himself that he can play the game," Howell said before the season. "What we have to do as a team is become a team. You got guys here coming in from every walk of life."

Eugene continues its five-game homestand against Tri-City tomorrow starting at 7:05 p.m. at Civic Stadium. The series ends on Friday.
