From Asian and Mediterranean cuisine to pizza and hot dogs or coffee and bagels, students have a plethora of choices for dining near campus.

There are over 25 restaurants to choose from in the campus area, most within walking distance from campus and the residence halls.

In the blocks between East 12th and East 14th avenues and Kincaid and Hilyard streets, there is a variety of dine-in eateries for students

wanting to relax and hang out, as well as several take-out restaurants for those on the go. Whether it's breakfast, lunch or dinner time, students will have no problem finding a place to eat that is close by and with reasonable prices.

Flying Dogs Café and Deli offers all of its menu items all day. With a mix of burgers, sandwiches, salads and wraps, the restaurant prides itself on homemade food that fits a variety of tastes.
