Horoscope by Joyce Jillson

TODAY'S BIRTHDAY (October 19). You're feeling on top of the world this year. Your buoyant attitude attracts winners to you -- people who can help you earn more money as well as bring you into social circles that are a positive influence on your personal development. Family connections and inherited talents are your key to success through the rest of the fall. Your lucky numbers are: 9, 30, 21, 45 and 14.

The sun and Saturn have a heated exchange, and there's a choice to be made. Do we let our past experience dictate our future actions? Or do we wash the slate clean and try being someone else in the moment of decision -- take the old leap of faith? Both roads can lead somewhere good if we resolve to keep ethics in line and honor intact.

ARIES (March 21-April 19). Your true success will come from the goodness of your character, so do things to build it. Keep your word even after you realize that it's more than you can comfortably do. Being uncomfortable is better than being flaky.

TAURUS (April 20-May 20). You'll be among the top performers at work -- an honor and a responsibility. You may even spend a decent amount of time wondering why you do what you do. Look deeper into your value system to find the answer.

GEMINI (May 21-June 21). Cultivate independence. Whether it's deciding where to go this weekend instead of relying on a partner to make plans for you or fixing the printer when the paper gets jammed, it will feel fabulous to accomplish things on your own.

CANCER (June 22-July 22). Beware of fantasy love. It may feel temporarily wonderful to have someone be infatuated with you, but it usually gets old fast. After all, who wants the responsibility of making someone else's life decisions?

LEO (July 23-Aug. 22). Relationships add to your life in unexpected and delightful ways. Make note of the graciousness you come upon so you can later acknowledge it well. Anticipate a slight (and fleeting) dip in your confidence this evening.

VIRGO (Aug. 23-Sept. 22). You'll be considering your friendships very carefully. After all, you treat the ones you love so well, you simply don't deserve to be subjected to someone's using behavior. Try not to take others' actions too personally.

LIBRA (Sept. 23-Oct. 23). Aim for what you want. You're incredibly secure now. Beware of people who bother you with their "temporary" problems -- all the time. Tonight, do more than you were asked to do. You'll win the heart of someone worthy!

SCORPIO (Oct. 24-Nov. 21). It's not quite time to lay down the law in a relationship, ask for a raise or put down the payment on that new car. But the research you do will help you immensely when it is that time -- and you won't have long to wait!

SAGITTARIUS (Nov. 22-Dec. 21). You're filled with bravado -- like an invincible 8-year-old who doesn't yet know enough about the world's limitations (and therefore is spared by many of them!). You make fairly sound decisions when you shoot from the hip.

CAPRICORN (Dec. 22-Jan. 19). People in your midst have earned a pat on the back, and you're just the one to give it. Have no ulterior motives. Delight in the good news of family and friends, even though you're feeling as competitive as it gets.

AQUARIUS (Jan. 20-Feb. 18). You'll stumble onto an endeavor that could turn into something you're passionate about. For this reason, you may be willing to start at the bottom. But you may not have to. Investigate options before saying "yes" too quickly.

PISCES (Feb. 19-March 20). Dominating people are part of the equation at work. It's probably easier to let them have their little show of authority and then do whatever you want since these folks care more about getting attention than about being right.
