Horoscope by Joyce Jillson

TODAY'S BIRTHDAY (October 20). You make a stand this year, and the world is different because of your contribution. Meaningful exchanges this month and next connect you with a romance that's lasting. If already paired up, you'll be traveling together through the holidays and discover a new interest that blossoms into a big money-maker! Love signs are Virgo and Pisces. Your lucky numbers are: 8, 32, 10, 35 and 3.

ARIES (March 21-April 19). Life's little bumps give you a chance to duck out and do a personal inventory -- something you can accomplish in a quiet 15 minutes or take the whole day to do. A relationship that has gotten one-sided will even out.

TAURUS (April 20-May 20). Whatever you were procrastinating about can wait no longer. Getting the icky stuff out of the way (and in the process finding out that it wasn't so bad) is the best motivator for doing the rest. You'll be able to flirt this afternoon.

GEMINI (May 21-June 21). You can spot a fake a mile away. Use your laser-sharp intuition about people to put yourself in fine company. Begin and end your meetings and appointments on time, and stick to the agenda. Really mean what you are saying.

CANCER (June 22-July 22). Your influence is strong, and your opinion means more than you know. Encourage a loved one who is pursuing a cherished dream. Later, you're the one this person will thank in the acceptance speech!

LEO (July 23-Aug. 22). Folks aren't responding in the manner you think they should. As much as you love your friends, you can also find them frustrating! Change your approach. Don't accept interactions that are less than favorable.

VIRGO (Aug. 23-Sept. 22). Make a gracious gesture at work, and team spirit gets everyone through a rather chaotic morning. If someone could bottle and sell your ability to prioritize, the world would be a much more productive place!

LIBRA (Sept. 23-Oct. 23). A little politeness goes a long way toward giving you a reputation as someone solid and kind. The truly over-the-top generosity comes into play when you decide not to notice whether anybody returns the favor. That's real class!

SCORPIO (Oct. 24-Nov. 21). You have many tasks to do, and you haven't the time and resources to do them equally well, either. Inevitably, something will be skipped. So prioritize carefully, and then, let it go. Tonight, you're distracted by dreams of love.

SAGITTARIUS (Nov. 22-Dec. 21). Relationships require you to be the leader, something you're comfortable with but don't always prefer. Mainly, being the leader requires you to make decisions exactly when avoiding a decision would be much easier.

CAPRICORN (Dec. 22-Jan. 19). Your passion will lead you to do what less passionate people wouldn't dream of -- take risks! Approach someone who can help your odds. If you're going to take a risk, why not take one in which the odds are in your favor?

AQUARIUS (Jan. 20-Feb. 18). Your nutrition is out of whack -- likely not enough variety, water-rich foods or greens. Stop by the store to remedy this instead of going for yet another quick-stop meal. Note: Your social life
